Dear Parent / Carer,

Exciting News! Your children now have access to the fantastic **Britannica® School** online resource.

This wonderful resource is now available for students to access at school or from home and can be used on any device including computers, laptops and tablets.

We encourage you to log-on to *Britannica School* as a starting point when searching for educational content with your child, as the platform provides content for every subject.

You can be confident that you are exploring safe material from a trusted, unbiased and reliable source with access to articles, videos, images and educational games in all subject areas.

Please feel free to share the following details which are ***valid until _____ .***
