Why Choose Dollarwise Plumbing and Gas?

When it comes to plumbing services in Perth, choosing the right plumber is critical to ensuring the longevity and safety of your systems. Dollarwise Plumbing and Gas offers:

- Licensed & qualified plumbers with extensive industry experience
- 24/7 emergency plumbing services across Perth
- Comprehensive solutions including installation, maintenance, & repairs
- Transparent pricing with no hidden charges
- Commitment to using the latest plumbing technologies

With a reputation for excellence, Dollarwise Plumbing and Gas stands out as a trusted plumber

in Perth. Whether you require routine maintenance or emergency repairs, our team is prepared to handle any plumbing challenge with efficiency and professionalism.

Our Plumbing Services

As a full-service plumber in Perth, Dollarwise Plumbing and Gas provides a wide range of plumbing solutions to cater to the needs of homeowners, businesses, and property managers. Our services include but are not limited to:

Residential Plumbing

Our residential plumbing services are designed to address the unique challenges faced by homeowners. We offer installations, repairs, and maintenance for various plumbing systems, ensuring that your home's plumbing is functional, safe, and compliant with local regulations.

- Hot water system installation & repair
- Blocked drains clearing & repairs
- Leaking taps, toilets, and pipes
- Bathroom & kitchen renovations
- Gas fitting & gas appliance installations
-

Whether it's fixing a small leak or performing a complete system overhaul, we provide dependable plumbing solutions that you can trust.

Commercial Plumbing

Dollarwise Plumbing and Gas offers specialised plumbing services for commercial properties, including office buildings, retail spaces, and industrial sites. As a trusted plumber in Perth, we understand the unique requirements of commercial plumbing systems and provide tailored solutions to ensure your business remains operational.

- Commercial gas fitting & installations
- Water pipe & sewer line repairs
- Grease trap installations & maintenance
- Backflow prevention testing
- Plumbing system upgrades & compliance checks

We work closely with property managers and business owners to minimise disruption and

complete projects within schedule and budget.

Emergency Plumbing Services in Perth

Plumbing emergencies can occur at any time and require immediate attention to prevent costly damage. Dollarwise Plumbing and Gas offers 24/7 emergency services to address urgent plumbing issues. Our emergency plumber in Perth is always on call to provide rapid response and resolve problems such as:

- Burst pipes
- Sewer backups
- Blocked drains
- Gas leaks
- Flooding due to plumbing failures

We ensure quick diagnosis and repair of all emergency issues, restoring functionality and preventing further damage.

Gas Fitting Services

As a qualified plumber in Perth, Dollarwise Plumbing and Gas also provides expert gas fitting services. Whether you need gas appliance installations or gas leak detection, our experienced gas fitters ensure safe and compliant solutions for all gas-related needs.

- Gas appliance installations
- Gas pipe repairs & replacements
- Gas leak detection & repair
- Gas compliance inspections

All our gas fitting services are performed according to the highest safety standards, ensuring the safety and integrity of your property.

Blocked Drains Solutions

Blocked drains can cause significant disruption and inconvenience. At Dollarwise Plumbing and Gas, we provide effective blocked drain solutions using advanced equipment such as high-pressure jetters and CCTV drain cameras. Our experienced plumber in Perth will quickly

identify and resolve blockages, ensuring the smooth operation of your plumbing system.

- Drain cleaning & clearing
- Root intrusion removal
- Drain repairs & replacements
- Stormwater & sewer system maintenance

We recommend regular drain maintenance to prevent blockages and avoid costly repairs in the future.

Hot Water System Installation & Repairs

Dollarwise Plumbing and Gas specialises in hot water system installation, repair, and maintenance. We install and service all major brands of hot water systems, including gas, electric, and solar units. Our expert plumber in Perth will assess your hot water needs and recommend the most suitable solution for your home or business.

- Hot water system installations
- Repairs & maintenance for gas, electric, & solar systems
- Hot water system upgrades & replacements
- Energy-efficient hot water solutions

Ensure consistent and reliable hot water with our professional services. We provide cost-effective and energy-efficient options to suit your requirements.

Preventative Plumbing Maintenance

Regular maintenance of your plumbing systems is essential to avoid unexpected breakdowns and costly repairs. Dollarwise Plumbing and Gas offers preventative maintenance services for both residential and commercial clients, helping to extend the lifespan of your plumbing infrastructure and prevent major issues before they arise.

- Routine plumbing inspections
- Pipe & fixture assessments
- Drain & sewer line maintenance
- Water pressure testing
- Gas system safety checks

Our plumber in Perth will work with you to create a tailored maintenance plan, ensuring that your plumbing systems are always in optimal condition.

Plumbing Renovations & Upgrades

If you're planning a renovation or upgrade for your property, Dollarwise Plumbing and Gas can assist with all your plumbing requirements. From bathroom remodels to kitchen renovations, we provide expert advice and installation services to ensure that your new plumbing systems meet your needs and comply with local building codes.

- Bathroom & kitchen plumbing renovations
- Upgrading pipes & fixtures
- Installation of energy-efficient appliances
- Compliance with local building regulations

We offer flexible and cost-effective solutions that cater to your budget and design preferences.
