

# Dimension Survival Log Part 2

By:Camden

Fight scene ( Epic fight scene music)Max takes out me and CJ by shoving us through a wormhole *now back on earth like they never left because wormholes are teleports and time portals.*

“CJ we must use my portal to remotely hack the master portal computer.”

“How do you know it will connect over your portal” said CJ.

“I realized something in the Dimension Control Dimension. All portals are connected to the

computer. I just have to open a portal, and hack the main computer.”

“ O.K. then, Get to work.” said CJ.

“Already done!” said Dr.

Dimensions.

“WOW! that was fast!” said CJ.

“Alright, now all I have to do is run Alpha Code Re-Gen :), and done.

***“ALPHA CODE RE-GEN:), ENGAGED ”***

***Back on the Dimension Control  
Dimension.***

“Yes Yes, one more dimension to g-, wait what. What is going on here”? said Max.

***“ALPHA CODE RE-GEN:), ENGAGED”***

“is there a way to cancel it”?

***“NEGATIVE”***

“So, as Max was defeated, he ran away through a wormhole and escaped. However, I think we will find him again soon.” sighed ***Dr. Dimension.***
