Honors statement

Anoka-Hennepin recognizes the rigor of courses taken at colleges and universities through the Post Secondary Enrollment Option. Starting in the 2019-20 school year, PSEO courses at the college course number 100 and/or 1000 or above level are designated as honors courses on the high school transcript.

RECOMMENDED SCHEDULING OPTIONS

PSEO 2-3 credits	PSEO 4-6 credits	PSEO 7- 9 credits	PSEO 10-11 credits	PSEO Full time 12-18 credits
High School 4 periods				
	High School 3 periods			
		High School 2 periods		
			High School 1 period	

If you are a full-time PSEO student, we recommend that you register for a minimum of 26 credits over the course of the school year.

*It is your responsibility to ensure you are taking the appropriate classes for graduation. See your counselor if you have questions.

*You must keep the high school schedule in mind when registering for college classes. You cannot overlap your college and high school classes—you can't be two places at once!

(Times are approximate based on the draft of the 2025-26 school year. These times may be adjusted)

Postsecondary Enrollment Options (PSEO) is a program that allows 10th-, 11th- and 12th-grade students to earn college credit tuition free while still in high school, through enrollment in and successful completion of college courses. With traditional PSEO, these courses are generally offered on the campus of the postsecondary institution; some courses are offered online.

Most PSEO courses are only open to high school students during their 11th- and 12th-grade year, with each participating college and university setting their own requirements for enrollment into the PSEO courses and programs. Students may take PSEO courses on a full- or part-time basis. Students must meet the PSEO eligibility requirements and abide by participation limits outlined in the Post-secondary Enrollment Options Act. Eligible 10th grade public, nonpublic and home school students may enroll in one state-paid Career Technical Education (CTE) course during the first term of PSEO enrollment. Not all institutions offer PSEO to 10th grade students or have CTE courses.
