

Full Proposal Template Documents

NOTE Documents must be uploaded into the WRC online grant portal using the provided templates.

Use of Times New Roman, 12pt font is required for all text. Use of bullet points, tables, and graphics are at the discretion of the applicant, however they count towards the page limitations.

You may not adjust page margins or delete either the header or footer. In the header, replace [PI NAME] with the last name of the Principal Investigator.

File names for all uploaded documents should begin with the last name of the principal investigator. For example “LASTNAME-Project Summary”, “LASTNAME-Project Description”, “LASTNAME-Budget.”

[PI LAST NAME]

TECHNOLOGY TRANSFER PLAN

1 Commitment to meet standard technology transfer requirements

This is selected in the application platform, and no text is required in this document. Delete this numbered item before submitting this template.

2 Education Expertise (200 words max)
