Course Selection Timeline for 2026-27

Selecting courses for the next year requires student's active participation. Students have opportunities to prepare, select, review, and change prior to the start of next school year. Take advantage of resources and plan well, especially for college, NCAA, and other opportunities with specific requirements. Meet deadlines. Revisit and revise your graduation plan. Do your research. Ask questions. Schedule a meeting with your school counselor to discuss your post high school plans. Choose meaningful courses that support your academic growth, allow you to maintain and increase rigor in your strength areas, but **most importantly, allow you to have a well-balanced schedule that meets your individual needs.**

Date	Activity	Place
February - March 2026	**Junior Conferences** All juniors will meet individually with counselors at designated times to discuss senior course options and opportunities, verify graduation status, discuss post high school plans and determine next steps and "to do" list prior to the start of the senior year	Conferences are scheduled through 11th grade classes. Counselors collaborate with teachers to schedule.
Thursday, February 12	**Registration/Curriculum Fair** Special sessions on early/mid-year graduation, dual enrollment, NCAA eligibility, Advanced Placement courses as well as opportunities to talk with teachers/department chairs to find out more about courses and specific application or audition-based courses.
