

Chroma Pop Support Document

1. Getting Started

- **Installation:** Download Chroma Pop from your device's respective app store. Follow the installation prompts to complete the setup.
- **Launching the Game:** Tap on the Chroma Pop icon on your device's home screen or app drawer to start the game.

2. Gameplay Guidance

- **How to Play:** Draw lines horizontally, vertically, and diagonally to connect and pop matching monsters.
- **Boosters:** Located at the bottom of the game screen. Tap to use. These help in achieving better scores and surpassing difficult levels.

3. Troubleshooting Common Issues

- **Game not loading:** Ensure your device has the latest updates and sufficient storage space. If problems persist, try reinstalling the game.
- **Purchase Issues:** If you face issues with in-app purchases, ensure your payment details are updated in your app store's settings. If issues persist, contact us.

4. Tips and Tricks

- **Planning Ahead:** Strategize your moves, aiming for chain reactions to maximize scores.
- **Utilize Boosters:** Save boosters for tougher levels, where they can provide the most benefit.

5. Frequently Asked Questions (FAQs)

- **Q: Is Chroma Pop free?**
A: Yes, it's free to download and play. However, in-app purchases are available for those who want to enhance their gameplay.
- **Q: Can I play offline?**
A: Yes, Chroma Pop can be played without an active internet connection.

6. Privacy and Safety

- Always ensure to download updates only from official app stores.
- Avoid sharing personal information in public game forums or chat rooms.

7. Contact and Support
