

Interested in a Mini-internship?

There is one spot per internship available each year by lottery.

Enter by emailing Bessie McCann at bessie@dermamedispa.com

Please include: your name, which internship(s) you want to enter the lottery for (yes you can enter for more than 1), and the best way to contact you.

Please make sure you read the full description and any requirements for each of the internships you are interested in. Some of them have age restrictions, transportation requirements, and other hoops to jump through. Make sure you are able to comply with these requirements before entering.

The lottery will be held on June 1st, and you will be notified soon after. You will then be given a packet of information and any forms that need to be filled out or signed. You will also receive contact information for your internship. **It will be your responsibility to contact them to get your internship scheduled.**

These opportunities will expire April 1st, 2027. If you have not scheduled your internship by then, you will lose this wonderful opportunity.

If you have any questions, please contact Bessie McCann at bessie@dermamedispa.com

*The Booster Club Auction will also offer these mini-internships, and you and your family can bid on them during the live online auction April 30th through May 10th. If this is not an option, or you are not successful in winning the auction item, please enter the lottery for the same internship. Find the auction here, once it goes live April 30th:
