

Mia Ballard

Give Me Liberty Essay Winner - April 9, 2026

We are incredibly proud to celebrate Mia Ballard, an amazing 5th grader who was honored at the annual United We Pledge - Give Me Liberty Gala.

After completing the Give Me Liberty program requirements ahead of schedule, Mia was invited to submit an essay on how her generation can protect and promote liberty. Out of all the entries from 5th grade students across Washington County, Mia's essay was selected as the winner!

This is an extraordinary achievement. Mia represented her family, her school, and the entire Hurricane community with immense honor and respect. Way to go!
