Information for Troops and Participants

Mission and Philosophy

CREEP O REE is a weekend long Camporee planned by the CLL Alumni Staff with the purpose providing additional **camping opportunities to Troops/Crews, providing a CO-Ed event** for our youth to develop great fellowship with other Scouters (BSA & GS Troops) and most importantly to have **FUN!** Each year a Halloween-based theme is set and implemented into all the planned activities. Units are asked to incorporate these themes into their patrol flags, cheer and themed costumes.

A series of different events are planned to improve on Scout skills, teamwork and FUN! These events have ranged from Shooting Sports to Crafts to Climbing to Trivia to Team Building competitions. A camp-wide tug-of-war competition and evening movie/dance close out the weekend's festivities.

Since this is a Troop Program, **no individual registrations** will be accepted, and standard BSA Youth Protection procedures will be in effect. Troops will be expected to assist in meeting 2 deep leadership guidelines during activity periods.

Registration, Fees and Refunds

1. Registration is by Troop – **No Individual Registrations** will be accepted.
2. All Registration will be completed electronically via the council website in the order they are received. **All Fees are non-refundable**, but are transferable to new participants within your unit, if you have a participant unable to attend.
3. All scouts should wear Creep O Ree shirt provided or BSA Field Uniforms (no sash).
4. Registration fees **INCLUDE** a Creep O Ree ACTIVITY SHIRT, EVENT PATCH and SAT meals provided.
5. Registration is open to the first 400 participants (youth & adults). Once at capacity, a wait list will be collected. Only those that are registered/paid are allowed to attend
 - a. **“Walk-ins” will NOT be allowed to enter as the BSA requires the event to confirm registration prior to arrival to be covered under insurance coverage.**

6. REGISTRATION

REGISTRATION	EARLY BIRD Before 9/25/26	REGULAR 9/25/26 - 10/08/26	LATE after 10/08/26
YOUTH & ADULTS	\$75	\$85	\$95

Leadership and Coverage (per BSA YPT standards)

1. It is the responsibility of “each unit” to provide a minimum of two TROOP registered adult leaders who are 21 years of age or older while at camp.
2. Two Deep Leadership is required by all Troops and BSA Youth Protection procedures should be followed at all times (**no adult “one on one contact” with youth**).
3. In the event you have scouts who do not want to participate in the activities:
 - a. **Troops must provide two-deep leadership for these scouts in camp or your campsite.**
4. **Units can not combine leaders from other units (*) to meet Two Deep Leadership and BSA Youth Protection Standards.**
 - a. (*) The BSA recognizes male (b) and female (g) troops as two separate units
 - b. Two leaders are required from each unit. They MUST be registered in that specific unit.
 - i. **Each troop is considered separate – and leadership cannot be combined.**
 - ii. **Leaders must be registered/approved leaders for the specific troop they are providing leadership too.**
 1. The chartered organization representative (COR) must approve the registration of the troop’s adult leaders.
 2. Registration as a merit badge counselor position does not meet this requirement as they are approved at the council level and not COR approved.
 - iii. <https://www.scouting.org/health-and-safety/gss/gss01/>

Linked Units

The BSA defines “**Linked units (*)**” as separate male (b), female (g) and family (f) units — one for male/boys only, one for female/girls only and combined boys/girls — that share a chartered organization and may share some or all of the unit committee. The approach preserves the single-gender unit model and co-ed model for combined family troops only.

For female Scouts BSA & Family units:

- There must be a TROOP registered female adult leader 21 years of age or older in every unit serving females. A registered female adult leader 21 years of age or over must be present for any activity involving female youth.
- Notwithstanding the minimum leader requirements, age- and program-appropriate supervision must always be provided while at camp.

Details about Youth Protection can be found here: <https://v.ht/BSA-YPT>

Medical Forms & Training

1. **BSA Annual Health and Medical Record form A&B** are **required** for all Participants and Adults. Please be sure all assisting parents are included in addition to any registered adult leaders staying overnight.
2. Troops are required to show “BSA AB Health Forms” for EACH person attending (youth/adult). Forms will be spot checked by the Medical Officer as health forms will NOT be collected from the troops.
3. **The State of Wisconsin requires** all groups attending a youth camp and administering medication to youth that is not their own to complete/print a picture of their certification:
