To whomever it may concern,

As of May 10, 2020, there are accounts on Twitter who are spreading false rumors about one of your artists, Jeon Jungkook. These rumors are attempted defamation of him as a public figure, and they co-sign the invasion of his privacy and stalking. The accounts spreading this information are linked below, alongside the links, and screenshots, of the tweets. Thank you for your time.

Regards,

Everyone that was at the bars during this time frame has to stay home and get tested now btw

Anyone who went to any club in Itaewon from April 24th to May 6th, should stay indoors and only get out to get tested for COVID
