

Start to CP1 Hawksworth (4.4 Miles)

From the car park exit on the footbridge over the bypass and go up the ginnel to Birdcage Walk (**careful crossing**) and continue on ginnel uphill opposite. At top of ginnel continue straight up stone track. Eventually this heads up steep steps. At top of steps cross a footpath to take a track heading half left and follow up to Surprise View

From Surprise View, turn right and follow the footpath along the ridge to the highest point on The Chevin, at next fork keep to the left. At a three-way junction, take left turn down into quarry carpark and out to main road and turn right, look for bridle path opposite. Go along bridle path all the way to the end where it emerges at a road corner. Turn right. Look to cross the road and take first footpath on the left downhill (opposite field with folly in it). Keep on this path eventually it will go over a railway bridge and up a road to the main road (A65). Cross the main road at the lights and continue ahead on Bingley Road as it bends around to the right and then go left at junction. Continue on Bingley Road out of Menston, when road becomes national speed limit turn left. At end of track go through gate to right of big gate and keep to the footpath left to metal gate. Cross stile keep on path to next gate, use gate to right. Continue on track to T. Turn Right (i.e. don't go to the farm building) cross stile and almost immediately turn left to follow narrow muddy track uphill parallel to fence on left to stile at bush line, go through woods and cross fence continue on field straight ahead on grass path to gate in wall opposite. Follow enclosed path downhill to road.
