[Last meeting minutes](#)

Professional Learning

- Planning for Instructional Coach/leader support
 - Review survey [results](#)
- Analysis
 - Content elements of Launch w/impact
 - Sustainability factors
 - Holding us back
- What does data suggest about needs for our Instructional Coach/leader support?
 - Moving from another thing into part of who we are
 - How can a single coach handle the building load
 - How can they coach the leaders too?
 - Role of coach v role of leader - how to share accountability and coaching roles
- What does data suggest about needs of Launch 1 and Launch 2 participants?
- What is already present from Allstate Coaching
 - New staff/turnover didn't attend Allstate
- Next Steps
 - What would success of an Instructional Coach/leader support system/PD look like by May of 26?
 - Handbook to help show how to use the Launch materials (purpose, roles, accountability and support)
 - Describe the teams/situations that went furthest in scale and sustainability
 - What needs to happen in next month?

- Jen will start a skeleton handbook
- Robin/Margart Ann get on Hub
- Who will participate?

PoG

- [PoG Implementation Progression](#)
 - Each district make copy of progression and determine where they are now.
 - How else could this tool be useful for the district/site leaders?
 - Share with campus to assess where they are w/expectations of getting to stage 4 or 5 by end of 2026
 - Incorporating into district scorecards
- Next Steps
 - What would success (based on progression) be by May of 2026?
 - How can we use some of the extra days in 25-26 to grow this work?
 - In person, day trip, no subs
 - Running record of evidence collection- Hub

Launch 3

- Expectation is that teams from 24-25 return the 25-26 year.
 - What is your process for a team change at your district?
 - Amphi will communicate that they will expect continuation of membership
 -

Quarterly Meeting

- Continue with the quarterly meeting hosted by districts.
 - Each district select your quarter and your suggested day
