

June PD Institute, 6/9-13, 2014

Session Title: Science CCSS and Literacy

Presenter(s): Debolina Dutta
Joe Ezrati

Workshop Description:

The Science Common Core reading and writing workshop is designed to familiarize science teachers with instructional strategies that support common core, provide a real – life demonstration lesson, have the ability to transform classroom practices, and increase student achievement.

Objectives:

Participants will learn what the standards are really saying by dissenting the standards, participating in a reading demonstration lesson, and brainstorming writing lessons.

Resources:

9-12 Standards Chart:
