

## Smelling puzzle

prop: note

Hi Sam!

Please label these bottles.

We need them for our new education program.

I printed the labels for you.

Cheers,

Mary

labels

|                                                     |   |                                                           |   |
|-----------------------------------------------------|---|-----------------------------------------------------------|---|
| <i>Orange</i><br><i>Orange</i><br><i>Sinasappel</i> | 1 | <i>Vanilla</i><br><i>Vanille</i><br><i>Vanille</i>        | 4 |
| <i>Rose</i><br><i>Rose</i><br><i>Rose</i>           | 2 | <i>Chocolate</i><br><i>Schokolade</i><br><i>Chocolade</i> | 5 |
| <i>Mint</i><br><i>Minze</i><br><i>Munt</i>          | 3 | <i>Almond</i><br><i>Mandel</i><br><i>Almandel</i>         | 6 |

example:

| container | scent   | number on label |
|-----------|---------|-----------------|
| green     | mint    | 3               |
| red       | rose    | 2               |
| blue      | vanilla | 4               |
| pink      | almond  | 6               |
