

Chainsaw man Cosplay meetup and Photoshoot!

Location: Beside the Olympic Cauldron in Jack Poole Plaza

Time: 2:30 PM / 14:30

The meetup organiser, Zack, will be at the location 15 minutes ahead of the scheduled meetup time. Look for the person in a Yoru cosplay.

The meetup welcomes everyone wishing to attend whether you are in a Chainsaw man cosplay or not.

Both manga readers and anime watchers are welcome, if you're an anime only watcher, take this as a warning about potential spoilers coming from the manga readers on what happens during the remainder of Part 1 and Part 2 of CSM.

There will be zero tolerance for any kind of harassment or inappropriate behaviour. If you, someone you are with or witness someone else being the victim of harassment while at the meetup, please let Zack know immediately.

Anyone exhibiting such behaviour will be asked to leave the meetup.

The meetup organiser, Zack, will have a camera for those wanting to take pictures. No one is under any obligation to appear in photos, if you are just there to hangout for the meetup.
