

SL: Speech

Hello Mark,

Thank you for Serving to this Country!

Your Motivational Speeches inspire many people, and it would be a great opportunity to give your Community Access from everywhere. My idea is to turn them into Online Coaching Programs, so your Community can watch them from everywhere.

There are many, many opportunities for you to give your Community even more valuable Things that they can learn from!

After working with 25+ Clients in the past, I came up with many Ways to give customers the best experience from their Coaching, Products, etc.

Does this sound like an interesting addition?

If yes, feel free to contact me at any time.

Best Regards,

Janik G.
