Snowflake

X's first assessment under Medium's growth framework shows strengths in *Track 1*, *Track 2*, and *Track 3*. Recent projects that supported this were {Project 1}, and {Project 2}. Their focus on {Behaviour 1} was also noted. Given their skills and career goals, they might want to consider a future focus on {Track or

Category 1}. They should also consider working towards a higher milestone in *{Track 1}*, as fits their primary role.
