Short description of the organization	S&G: System and Generation Association is a non-for-profit organization established in 2008. Our Mission is to enhance the dreams of young people via motilities. We provide opportunities in pursuance of contributing to: Youth Empowerment & Community development, encourage youth' entrepreneurial spirit & helping them acquire knowledge and qualifications. System and Generation gets into the act about; increasing economic growth, social and sustainable development, fostering Intercultural Citizenship Education, promoting tolerance and harmonious co-existence, working on migration and refugee related issues, encouraging social entrepreneurship initiatives, social inclusion of people with disabilities and fewer opportunities. We aim to create Volunteer Development Centre in Ankara/Turkey with the following overall objectives: - to contribute for developing a sustainable civil society dialogue between Turkey and EU CSOs. - to create a mutual understanding of volunteering and promote it as a value for everyone. - to create maintenance of a favorable environment for volunteers and voluntary activities. - to adopt various approaches to mobilize and facilitate volunteering. - to establish long term sustainable cooperation at local, regional and national levels between CSOs in Turkey and their European counterparts in areas within the scope of the promotion and support to volunteers and volunteering in collaboration with the public sector as well.

	S&G is : - Head of Turkish Network: http://www.annalindhfoundation.org/networks/turkey ; - Board Member of ENYC(European Network of Youth Centers); - Member of European Volunteer Centre: https://www.europeanvolunteercentre.org/system- and-generations Euclid Network European Network of Youth Centres Platform Network Glore Network Take a look!
