**SEX OFFENDER PROGRAM FEE: \$1,500.00**

Effective July 1, 2016, all offenders newly enrolled in the Sex Offender Program are required to pay a fixed Sex Offender Program fee of \$1,500.00, if no fee was previously assessed for any of your current charges.

An additional \$1,500.00 fee will be assessed if, during your term of supervision, you are granted supervision for a new offense which would qualify for participation in the sex offender treatment program.

Accounts 120 days delinquent are referred to the State of Iowa Offset Program for collection from any future state payments such as tax refunds, lottery payments, vendor payments, etc. The offset will remain on file until the debt is paid in full.

I have been informed of the Sex Offender Program fee owed.
