

P.E.C. Scout Group - Orienteering with compasses and cones

Scouter Notes – Don't show the youth

Set up 25 cones in a grid with cones angled with magnetic North. Put orienteering stamps under the grey highlighted cones.

Assign 4 teams and provide them compasses, the directions for each team and orienteering cards if you have them.

Instructions:

Each team starts at their assigned cone. They follow the directions on each line. When they get to the end of each line, the cone where they are at will have a stamp under it. Have the youth stamp their orienteering card and then follow the next set of directions, starting at the cone they are already at.

Team 1 = cone 11. Team 2 = cone 23. Team 3 = cone 15. Team 4 = cone 3

NOTE:

If there is already a team at the cone you are about to move to then you **MUST** wait until they have moved on before you move to that same cone.
