Project 3 Rubric (Popular Culture)

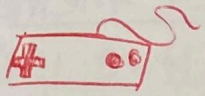
Ask yourself, “What if a popular culture personality did something unexpected?” and illustrate him or her doing it.

Criteria	Ratings/Comments	Points
Develop Craft Students learned and practiced new techniques in creating their artworks like using collage, or digital creation apps like photoshop or procreate to create an effective composition for their final works.		/4 pts
Envision Students effectively planned and researched in their visual journals to create their works. Methods of visual mind mapping or sketching were used in the process to finish.		/4pts
Understand Art Worlds Students investigated artists and artworks that create art around pop culture and used the feedback and criticism from others to help guide their art making process.		/4pts
Observe Students observed a popular culture icon, and aspects of their everyday life and what they were known for to create and illustrate them in an unexpected manner in which they normally do not conduct		/4pts

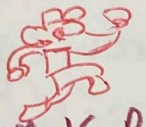
professionally.		

Quite Nosey and am interested in about anything.

Do you play video games, listen to music, Skateboard, play a spart, or...?

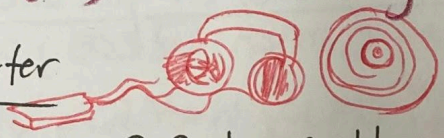


- I enjoy playing a lot of Nintendo games, mainly 2D or 3D Mario games, big fan of 3D Platformers.



My favorite music Genre is Rock, some metal, hip-hop, but mainly Rock and its varias Sub-genres.

Art Making Sample Starter



- Ask yourself, "What if a popular culture personality did something unexpected?!" and illustrate him or her doing it.

. list (What is needed)

Time: Tips: 1 class period with modifications outside of class.

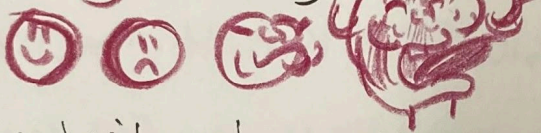
VJ#9 Project 3 Planning

Theme: Popular Culture

Ideas of theme:

- Popculture is culturally specific
- Provides current artists with ideas and imagery
- Using Popculture makes art accessible, engaging, funny, and searing: (severely critical)

Questions



Which movies and videos do you stream?

- I like watching Conan videos, action movies like Marvel. Enjoy watching videos of politicians acting like fools. Watching Kitchen Nightmares.

Who are the most interesting famous people or characters today? Why?

- CEOs like Elon Musk, Mark Zuckerberg, or Presidential Candidates or current president Joe Biden. These people seem larger than life, but are idiots when it comes to being actual human beings.

What stories do you like and why?

- I am a fan of first hand accounts, like personal stories that end in humor, or tragedy. I am
