Greetings Parent/Caregiver,

Your student's success at Masterman is personal to us. That's why we invite your student to join us for the ***Masterman's Summer Rising Program***, our extended orientation for all 9th graders (both returning and new) and any newly enrolled students, grades 5-10. Programming will be held at the Julia R. Masterman School from Monday, August 7th to Friday, August 11th from 9:00 AM - 1:30 PM. Students will engage in an informative and dynamic week long of skill-sharing, project-based learning, and community building! Over the course of the program students will:

1. Gain exposure to and practice with core thinking skills that will be critical to their academic success
2. Make connections to peers and staff
3. Develop a shared commitment and pride in aspects of the Masterman community and culture

Snacks and lunch will be provided each day. However, your student is welcome to bring their own lunch. Transportation will not be provided, so we kindly ask that you coordinate this on your own. **Note: this program is different from the SDP Bridge Program & is only for new Masterman students.**

To give you a peek of what each day will look like, a tentative daily schedule is below:

- ☐ 8:45 AM: Student arrival
- ☐ 9:00 AM: Advisory + Relationships First
