

## Ngā Mātāpono o Te Kawa o Te Ako

### Culture: Student-Friendly Deep Learning Progression

Whanaungatanga is about building strong relationships and working with others.  
It's also about making my own special contribution to the group's goals.

Dimension	Limited Evidence	Emerging	Developing	Accelerating	Proficient
<b>Whanaungatanga: building strong relationships and connecting with others.</b>	I usually like to work alone and focus on my own goals.	I'm starting to make friends and help with group activities.	I'm getting good at working with others and know how to help the group.	I often work with others and encourage us to reach our goals together.	I'm confident in my unique contribution to the group and maintain strong relationships with everyone.
