## IV. Discussion Items

### a. Budget parameters FY24

B u d g e t  p r i o r i t i e s  F Y 2 4	-Focus on reading and mathematics performance of DSE students
	-Focus on reading and mathematics performance of all Hollis students
	-Create a STEM culture and achieve GaDOE STEM certification
	-Improve leadership opportunities
	-Retain top performing staff
	-Provide multiple engagement opportunities for families.
	-Leverage school-based partnerships to support families

Discussion:

Were there any changes in the budget presentation from last meeting to this month's meeting?  
**(Dr. Brown-No, everything was the same as the previous meeting. School improvement funds were dropped from CIS schools, however Title I funds are being used to supplement that loss.)**

Will there be more teachers in the upper school because of the changes in enrollment calculation?  
**(Dr. Brown- There is no change in staffing based on the number of students. There will be two more coaches, not teachers)**

Does this budget detail the ways that Westside Future Fund's funding will be used?

Are there any other funding sources aside from Westside Future Fund?  
**(We have several partnerships including Mercedes Benz Stadium, MBUSA...)**
