

Partyzan's terms of service

<https://www.furaffinity.net/user/partyzan/>

- 1. By taking commission from me, you must read and accept my ToS**
- 2. You must be at least 18 years old**
- 3. You must be able to communicate in english**
- 4. All rights to commissioned piece belongs to the artist. This means that I retain my rights to display and publish. Client will be permitted only personal use of artwork such as publishing into your personal account (if author is mentioned). Commercial use and editing is not permitted**
- 5. All prices are in USD. Payments are via paypal invoice only**
- 6.Claiming the rights to cancel your commision at any point if your behavior or actions are rude and causing problems without any possible refunds**
- 7. Claiming the right to not accept commission if I don't feel comfortable by any aspect**

Drawing and communication

Please describe commision like (who is in, what is happening, where, face expression, powers, weapons etc..) and if possible add visual pictures or lore to characters

After the payment I start working, I will send you progress at every important stage of drawing to be sure if there is something that needs to be changed.

The Finished piece will be sent to you in JPG format.

What I draw (only indicative, always better to ask)

SFW, borderline NSFW, blood, depressive themes, violence (fights, battles etc.), multiple characters, some perspectives, males, females anthro and feral, dragons, synths, wolves...other species

Don't draw

Hard kinks and explicit porn (naked body and acts are okay) animations, stickers or emoticons, gore, underage, watersports

Price list

How to order from me?

Best way will be through discord dm's or as comment under journals or as note on fa

Price will depend on type, level of details and difficulty. Is it possible that during the order, there may be bonus fees such as requested bonus details, changes by the customer etc...

special wishes will be threatened piece by piece

Additional fixes on the finished pieces will be done free of charge only if the problem was caused by my mistake.
