

First Profile Check

We are simply ensuring they are on the site and have done enough work to get a generally good representation of the information they were given.

HAS

1. logged in and on the site = 2 (everyone starts with 2 points)
2. age under picture = 1
3. appropriate profile picture that is not a copy = 2
4. two sections filled out with appropriate information = 2
5. page layout correct: profile information, my photos, text box, comments, latest activity = 1
6. name is appropriate = 2

SUBTRACT 1 POINT from the automatic 2 points everyone gets if they

1. have friends, uploaded any other pictures to the site, commented on another's wall

AND/OR

2. listed an incorrect city or country
