

Bus Timetables for School Services are Changing

A Message From Transit Systems NSW

Bus timetables for school services are changing, affecting many school routes across the region.

Most times are only changing by a few minutes to improve reliability and better reflect actual running times. We encourage students to check the new timetables for your school on our website: <https://nsw.transitsystems.com.au/schools> to confirm any changes to your journey.

Students can also visit transportnsw.info to view updated timetables and to plan their trip. Be sure to change the date in the options (to 19 May or after), and if using the Trip Planner, click “refine” and add “school bus” to ensure dedicated school services appear as a travel option.

Buses routes affected include:
