

7th Grade End-of Year Media Project!

Engage

Fill out the [Google Survey](#) to begin the media project.

Explore

- Locate two websites that you have discovered or two projects that your teacher has shown you that will serve as models for the type of media project you will create. Be prepared to share these with Mrs. V.
- Check out the [Guidelines](#) for this project.

Explain

- Write a script for Mrs. Vanderwielen that explains all the details of your project. You need the following information included in this document:
 - Project Name [Sample Click Here!](#)
 - Group Members
 - Purpose of Project: to inform, to entertain, to persuade
 - Parts - (who will do what)
 - Props/Scenes/Background/Costumes
 - A complete script
 - A credits page where you give credit to the music, images, websites, etc. you used

Elaborate

Sample Videos of Projects can be found here!

- [Music Video by former 8th graders!](#)
- [Google Slides Informational Presentation on Boiler Aquatics](#)
- [Vlog about Memes](#)

Evaluate

- The best way to share this project with the class is through the Google Drive. Please try to upload your video to your Google Drive.
- Click here to fill out a Google Form where you reflect and evaluate your project/performance. [Each person](#) in your group should do this!
