

*YAR-L Shroudstar, Esq. Protector of Falcon's Moon, Dreamkeeper
of the Emerald Hills, Friend of Howling Plains*

Professional Summary

Shroudstar's first day at Amtgard was Summer Coronation in the Kingdom of Neverwinter in 2014. She has fought in three kingdoms, but began getting into leadership when she joined the Emerald Hills. Since then, she has dedicated significant time and energy into making sure each event and role she is participating in is executed to its utmost potential. Shroudstar's primary goal is open communication. She likes expectations to be clear, and for there to be as little ambiguity as possible. To this end, she has received recognition for almost every office she has ever held. Shroudstar is well-versed in making difficult decisions, and dealing with differing opinions not only through her time in office, but also her mundane occupation. She was squired in 2021 specifically for the crown path by Sir Worrak Darkedge.
