Melissa Graves, Director

Life Source offers a registered homeschool umbrella program called Evangel Christian Institute (ECI) throughout Maryland.

Choosing the right educational path for our children is a significant decision. When done right, homeschooling can bring peace and joy to your children. With its unique approach and comprehensive support, Evangel Christian Institute is dedicated to making your homeschooling journey a fulfilling and successful one.

We are here to serve as your liaison to the Maryland State Department of Education so that you can focus on nurturing your children's intellect and enjoying every moment of your homeschool adventure.

Our mission is to make it easy for parents to help their students achieve the highest academic standards in Christian education.

Enrolling your child in our program is simple. The cost is \$200.00 per child for up to two children or \$500.00 for a family of three or more.
