Message from the Administration

Welcome to Felton Grove High School for the 2025-2026 school year! We are very excited about the start of our inaugural school year and the journey toward graduation for all of our students. We firmly believe that we are a learning community where all students can learn when provided with the appropriate tools and resources in a supportive environment. We look forward to partnering with parents and the community as we support our students in being successful in a safe and academically challenging environment.

We are very proud of our students and the work they have accomplished to date. We are confident that our students will reach even greater excellence and success this year! The hope is that the information in this handbook will provide information that will support that success. Please note that updates to this document will be made available as necessary during the school year via the school website and through written notices to students and families.

Best wishes on a successful year!

Students will not take their cell phones with them when they leave the classroom during class unless it is an emergency.

Students may use their cell phones during lunch and class changes.

Devices in the classroom: Students are expected to have a charged device with them daily. A WCPSS issued Chromebook or their own device. Students will be required to access content through the WCPSS wireless network. approved by the teacher and in accordance with the Acceptable Use Policy may be subject to consequences as defined by the Student Code of Conduct and WCPSS Board Policy.

Class Rank. To determine class rank, final course grades are used. The total number of quality points earned is divided by the total number of units of credits attempted. The results are rounded to the third decimal place. Class rank for senior honors is calculated through the third nine weeks of the senior year. For the 2025-26 school year, requirements for graduating with honors is as follows:

- 3.75-3.99 cum laude
- 4.0-4.249 magna cum laude
- 4.25 + summa cum laude

Questions about class rank should be directed to the student's counselor.

State Required Assessments. Continuing in 2025-2026, End-of-Course (EOC) tests will be administered in the following courses: Biology, English II, Math I and Math III.

Exams. Tentative exam dates for 2025-2026 are:

Fall Semester	January 16, 20-23, 2026
Spring Semester	June 5, 8-11, 2026

A specific exam schedule for each semester will be communicated as soon as possible each semester. Please note that dates are tentative and can change due to a number of factors.

GPA Calculations. Wake County determines the official Grade Point Average, or GPA, based on cumulative final grades. The GPA is calculated and reported on the transcript in both weighted and unweighted form. Please see your counselor for more information and relevant policy regarding GPA.

Grading Scale. Final grades in North Carolina are reported as a numerical average. Letter grades for the purpose of calculating GPA are determined according to the following scale.

A = 90 – 100	WP = Withdrawal/no penalty
B = 80 – 89	WF = withdrawal with an F
C = 70 – 79	I = incomplete
D = 60 – 69	
F = Less than 60	

Any student who withdraws from a course that is already in progress should anticipate that (1) the course will appear on the transcript, and (2) it will be marked with a WP or WF grade.

Grade Recovery. Felton Grove High School offers Grade Recovery to students throughout each quarter. This is designed to be a support for students who are struggling but have yet to reach success in a course. These opportunities can be offered by a teacher through remediation tutorials/retakes, Edgenuity modules, etc. For more information, please contact the Intervention Coordinator or your child's counselor.

4. Students may register up to two of their family vehicles. The tag may be moved from one registered family vehicle to another but may NOT be sold, given, or loaned to another student for his or her use. The penalty for doing so is revocation of parking privileges.
5. Vehicles must be parked in assigned spaces. The only places available for student parking are the student lots. Students may not park on the road, driveway, or in any other place, including other school campuses. Vehicles parked in the wrong space or in unauthorized areas will be subject to disciplinary action to include temporary or permanent loss of parking privileges.
6. Student vehicles are subject to search and seizure per Wake County School Board Policy 6600.
7. Disabled vehicles may not be left on campus overnight. If necessary, towing should be arranged by the student.
8. If a student holding an assigned parking space transfers within the WCPSS during the year, he or she will be assigned a space at the new school with no further payment of fees, assuming the original parking tag has been returned to the office of the previous school. If no space is available at the new school, the originating school will make the refund.
9. Refunds for parking fees will be made only if the student moves away from the Wake County Public School System. Parking fees will NOT be refunded for:
 - Voluntary withdrawal from school (dropping out).
 - Long-term suspension from school.
 - School based disciplinary action related to loss of parking privileges.
 - Loss of driving privilege due to revocation of operator's license.*
 - All other refund requests are at the discretion of the principal.
 - Lost parking tags will be replaced for a \$5 fee. Report losses to the office.
10. School Board Policy 6410 prohibits the possession and/or use of tobacco products on campus. Students may not possess tobacco products, smoke in cars at any time while on the school campus, or possess any other item prohibited at school. Weapon and drug charges can result in revocation of parking privileges.
11. Loitering in the parking lot is prohibited. Students should lock their cars and leave the parking lot immediately upon arriving at school. Students should take all materials/items needed for the school day and not use vehicles as lockers. Students need written permission from an administrator, the SRO, or the front office staff to be in student lots during school hours, including class changes. After school, students should exit the parking lot as quickly as can be safely done.
12. Students who operate a motor vehicle on campus should fully understand their duties and responsibilities. Under School Board Policy 7180 students who violate parking regulations are subject to any or all of the following consequences:
 - Revocation of parking privilege
 - Ticketing
 - Disciplinary action
 - Criminal charges as prescribed by law
13. Handicapped parking is available as needed on an assigned basis only.
14. Parking a vehicle on school property is a privilege, not a right. Please review all parking regulations with your parents and communicate with school administrators for clarification of any matter about which there are questions.

Have a question or need to share an issue?

It is important for all students to take an active role in their experience. If you have a question, need to report an issue, have a suggestion for improvement, or just want to share a celebration, we encourage you to see any member of the administration team or your counselor.
