

SYNERGY CREDIT UNION OFFICE TECHNOLOGY SCHOLARSHIP

Description:

The Synergy Credit Union Scholarship is a \$1000 award for graduating students of LCHS who meet specific eligibility criteria and demonstrate academic achievement, school and community involvement, and leadership. Eligible fields of study include: office administration, business, computer science, accounting, and marketing.

Amount: \$1000

Criteria:

- Must have been in full-time attendance at LCHS (minimum of 8 credits) and be a member of the current year's graduating class.
- At the time of the awarding, the student must be enrolled full-time in a post-secondary program at a university, college, technical school, or other recognized institution.
- Eligible fields of study include: **office administration, business, computer science, accounting, and marketing.**
- Criteria for selection:
 - Academic achievement
 - School and community involvement
 - Leadership responsibilities within school and community
 - Personal qualities consistent with good citizenship
- If multiple applicants are equally deserving, the scholarship will be awarded to the applicant who has received the least scholarship money.

Application Process:
