imagine making a "Secret" channel in the same server as aster where they are a STAFF and your friends who are YOUNGER THAN YOU telling you that they can see it but you SAYING THEY CANT and end up discovering that ASTER CAN SEE IT
im so salty

@Acexela (#1 strawbear hater) How are you sure 😭

[JDS] #1 xela defender Today at 12:21 AM
ok heres the story

[JDS] #1 xela defender Today at 12:21 AM
in the ludnorics server

viv mel ry and i were on vc
and viv created a secret chat
thinking aster couldnt see it
but since they are staff THEY COULD
its not her fault ofc
but then aster was online while it wasnt
deleted
and yk the worst part
I WAS GOING TO DELETE IT BEFORE I SLEPT
BUT I FORGOT
i asked aster if they were up to vc with us last
night without making it bovious and they siad
they were taking a logn as 15 hour nap
but i thin k they may have saw it

Acexela (#1 strawbear hater) Today at 12:23 AM
