

Privacy Policy - MyResume Builder - CV Maker

Intro

We want to make it clear how we use your data because we appreciate your trust and handle your data carefully and sensibly. By using our services you accept this privacy policy.

What We Collect

In order to create your CV, we require you to provide us with certain personally identifiable information including but not limited to your name

If you do not sign-in, the information is stored locally on your device. If you sign-in, this information is stored using the third-party service provider [Firebase](#) (which is part of Google).

If you use our AI Assistant feature, each CV section you use it for will be shared with the third-party service provider OpenAI.

Ads & Analytics

MyResume Builder - CV Maker's app collects statistics, such as the percentage of users who use particular features, to improve the app.

We also display ads to users in certain countries.

In order to do this, we use the following third-party services which may collect information used to identify you:

- [Google Play Services](#)
- [AdMob](#)
- [Google Analytics for Firebase](#)
- [Firebase Crashlytics](#)
- [Revenue Cat](#)

Whenever you use our Service, if an error occurs in the app then we collect data and information through the third-party service Firebase Crashlytics. This log data may include information such as your Internet Protocol ("IP") address, device name, operating system version, the configuration of the app, the time and date of your use of the app, and other statistics.

How Information is Used

We use the information we collect to operate and improve our website, apps, and customer support.

We do not share personal information with outside parties except to the extent necessary to accomplish MyResume Builder - CV MakerApps Building's functionality.

We may disclose your information in response to subpoenas, court orders, or other legal requirements; to exercise our legal rights or defend against legal claims; to investigate, prevent, or take action regarding illegal activities, suspected fraud or abuse, violations of our policies; or to protect our rights and property.

In the future, we may sell to, buy, merge with, or partner with other businesses. In such transactions, user information may be among the transferred assets.

How We Protect Information

We implement numerous security measures to help keep your information secure. For instance, all communication with the app and website requires HTTPS with certificate pinning.

Your Rights
