

Hello Seniors!

The fundraising for Project Graduation has begun and we need your help in order to give you an adventure filled graduation night party full of fun, food & prizes.

We need as many parents involved as possible to make this happen (and we don't have much time!)

Seniors - What do we need from you?

Sign up for volunteer hours (click link below) at the Litchfield fair Ice Cream booth, which is our first fundraiser for Project Grad coming up next week.

We will meet regularly to coordinate and plan, see the facebook group for details.

Let's make this Senior year memorable!
