Aftermath: Omori Fanscript (Iris Gale)

SUNNY is lying in a hospital bed. The room is full of flowers and cards but no people. He stares at the ceiling before starting to cry. Once he calms down he sits up. He stands up and walks out of the door. He walks until he meets a split in the road. He sees three people walking one way: HEADSPACE AUBREY, HEADSPACE KEL, and HEADSPACE HERO. SOMETHING walks the other way. He follows SOMETHING who leads him to a closed hospital room door. SOMETHING disappears.

HERO

(muffled) Hey, Basil. Some people brought cards for you.

BASIL

(muffled) Oh, uh thanks.

KEL

(muffled) How've you been?

SUNNY enters the room. KEL and HERO are around BASIL who's in bed. AUBREY sits in a chair against the wall.

KEL

Sunny!

HERO

You're up!

AUBREY

(Quietly) Hey Sunny.

BASIL stares in horror at SUNNY's right eye, which is covered by an eye patch.

BASIL

(In disbelief) I did that… I'm so sorry.

SUNNY

It's ok.

BASIL and SUNNY smile at each other.

SUNNY (cont.)

(To Basil) I'm gonna tell them.

BASIL

(Panicked) No, please don't tell them.

HERO

Tell us what?

BASIL

Please, if you tell them, they'll hate us. After all this time we're finally friends again. If they know what we did they're going to leave us again!

KEL
What do you mean?

SUNNY
I have something to tell you something.

BASIL
Please…

SUNNY
Mari didn't kill herself. I did.

Silence fills the room.
HERO
(Disbelief) What do you mean?

SUNNY
On the day of the recital, we got into an argument at the top of the stairs and I pushed her and she… died.

HERO
(Denial) No, but… Mari… hung herself off of that tree in your yard…

SUNNY
(Quietly) We put her there.

AUBREY
We?

SUNNY doesn't respond.
AUBREY
(Irritated) Who is 'we'?

BASIL
I helped him.

AUBREY stalks towards SUNNY and BASIL
AUBREY
(Disgust) So, you both knew this entire time. And you lied to our faces. You know, I thought we could be friends again but maybe I was wrong. (Almost in tears) You killed Mari. If it weren't for you Sunny she would still be alive. If you had called someone else you could've saved her. If-

KEL

Aubrey, don't play the 'if' game. It already happened and blaming people doesn't change anything.

AUBREY

(Anger) Don't sprout that crap. Mari's death ruined my life. All of you stopped talking to me and I had to remake my life. All of you had it easy. You guys all have siblings or parents or grandparents (wobbly voice) who actually like to have you around.

AUBREY sniffles, trying not to cry but breaks down into tears. KEL guides her back to her chair.

HERO

(Quietly) I need to go.
