DIRECTIONS TO CULRAVEN, 16 MERNDA ROAD, OLINDA

Coming on the South Eastern Freeway take Ferntree Gully Road to Burwood Highway and go through Ferntree Gully. After going under the railway bridge bear left onto the My Dandenong Tourist Road and go on through Sassafras to Olinda where about 100 meters past the erstwhile Cuckoo restaurant you will come to an intersection where the Tourist Road turns left. Take a sharp right onto the Olinda-Monbulk Rd. Dudley's will be on the right.

From the Eastern Freeway take the Canterbury Road exit. Drive up to Montrose where you will take a right on to the Mt Dandenong Tourist Road. Follow this for about 10 Km to Olinda where the Tourist Rod turns first turns left then right but you will take the Olinda Monbulk Road which essentially goes straight on. Dudley's will be on your right.

In about 2.5 Kms the Tea House Restaurant is on the right and Cloud Hill Nursery is on the left. Shortly after you pass Gentiana Nursery, Hackett's Road to Pirianda Gardens is on the right . About 100 metres on look for the wombat sign at the base of Mernda Rd, which will be on your right, i.e. less than 100 metres from the Hackett's Road corner. It looks like you drive straight on as the road bears left. However, pay attention to the possibility of cars or bikes coming up the hill.

Our property is called CULRAVEN which is clearly displayed on our gate.

Parking is on the nature strips on Skipton Road. If it is wet use the right hand side nature strip of our neighbours to avoid getting bogged!

Here is a handy link: https://goo.gl/maps/DJjuqMTrNiR2

If you use your navigation app it is important that you tell it that you want to come through Sassafras and Olinda. Left to its own devices, Google Maps will send you up Hackett's Road; a semi-impassible dirt road (4W DRIVE only, especially in Winter).

Do not try going up Hackett's Road!
