1. Taking part in the study

I have read and understood the information sheet for the following study: BARRIERS AND FACILITATORS TO PHYSICAL ACTIVITY FOR TRANSPLANT RECIPIENTS; DEVELOPING A PATIENT AND PUBLIC INVOLVEMENT AND ENGAGEMENT FRAMEWORK (PA-PPI), or it has been read to me. I have been able to ask questions about my participation and my questions have been answered to my satisfaction.	YES <input type="checkbox"/>	NO <input type="checkbox"/>
I consent voluntarily to be a participant in this study and understand that I can refuse to answer questions I am not comfortable with and I can withdraw from the study at any time by contacting Prof Bart Rienties (bart.rienties@open.ac.uk), Dr Keetie Roelen (keetie.roelen@open.ac.uk) and/or Prof Ben Oakley (ben.oakley@open.ac.uk) up until 30 September 2024, without having to give a reason.	YES <input type="checkbox"/>	NO <input type="checkbox"/>
I understand that taking part in the study involves <ul style="list-style-type: none"> Participating in an audio-recorded interview for 60-90 minutes 	YES <input type="checkbox"/>	NO <input type="checkbox"/>

2. Use of the information in the study

I understand that planned outputs will include research publications, and might be reused for future projects; for example, when generating proposals for new projects, as part of an evidence-based approach.	YES <input type="checkbox"/>	NO <input type="checkbox"/>
I understand that personal information collected about me during the interview that can identify me, such as my name or where I live, and any social network relations that I might indicate during the interview (e.g., partner, family member, medical professional, social care professional, sport coach) will not be shared beyond the study team. The interview recordings will be subsequently deleted and the transcripts of the interview and social network relations will be fully anonymised.	YES <input type="checkbox"/>	NO <input type="checkbox"/>
I understand that my data will be stored on secure Open University systems that are password protected until 30 September 2024, after which all names and identifies will be removed and the anonymous dataset will be kept for 10 years in line with BERA Ethics guidelines.	YES <input type="checkbox"/>	NO <input type="checkbox"/>

3. Future use and reuse of the information by others
