I will display all evidence of the actions he's done against everyone. Seven anonymous users will be listed here. They will be kept anonymous due to Rookie having an admin friend that harassed one of the users once his actions were exposed.

Keep in mind that most evidence was never caught, because the majority of each confirmation was on VCs or VRChat. So don't argue with me saying they should have recorded it when there's no time to even record such stuff like this. But I can reassure you that this is all true and that it really did happen. All of these users are at a good trust level. This document will be updated from time to time if there's more evidence being offered.

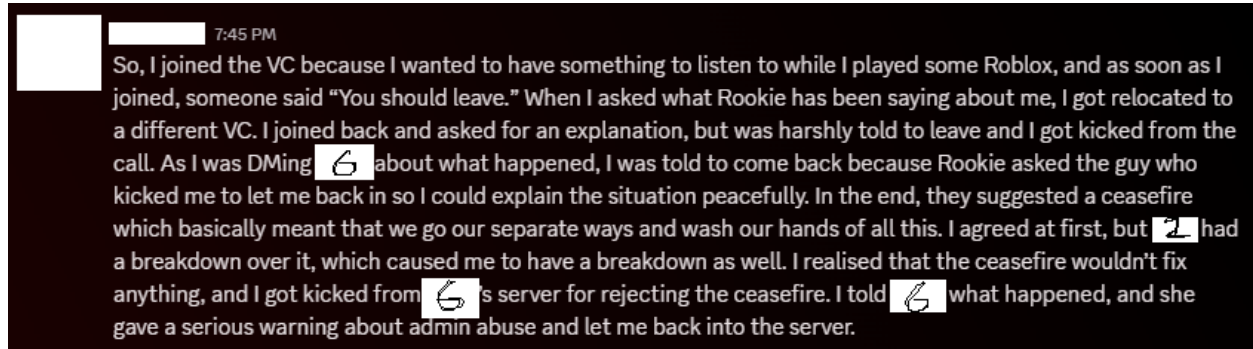

Let's get into the document.

Anonymous #1

This user is the ex boyfriend of Rookie. Whenever Rookie screwed up, they constantly get a call afterwards of him crying and whining about his mistakes, not doing anything about it. Mind you, Rookie is 26 and acts like a teen instead of an actual adult. He is also partially a gold digger, digging for money from Anon 1 because he has no job.

When Rookie was exposed for his actions, an abusive admin threatened Anon 1 in Anon 6's server and made him do a cowardly cease-fire action that almost destroyed the friend group itself along with Anons 2 and 3.

This is what Anon 1 had to say about the cease-fire situation.

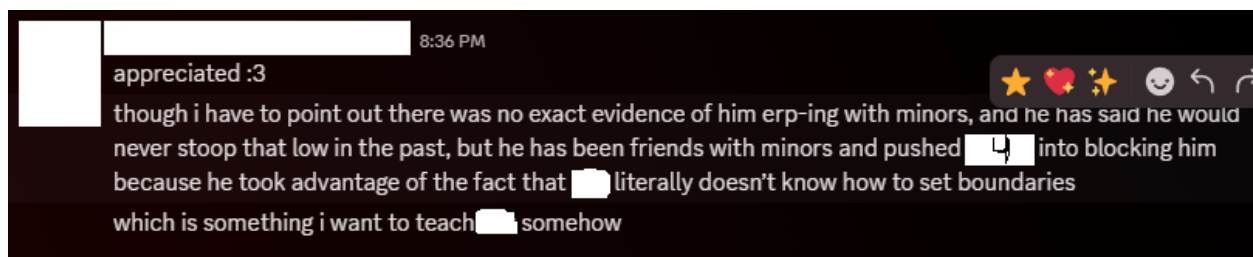

So in summary, Rookie is not only a danger to minors, but is a danger to his friends because they'll become corrupt just like him. For an admin to become that abusive for the sake of Rookie to be happy, this is disgusting and intoxicating.

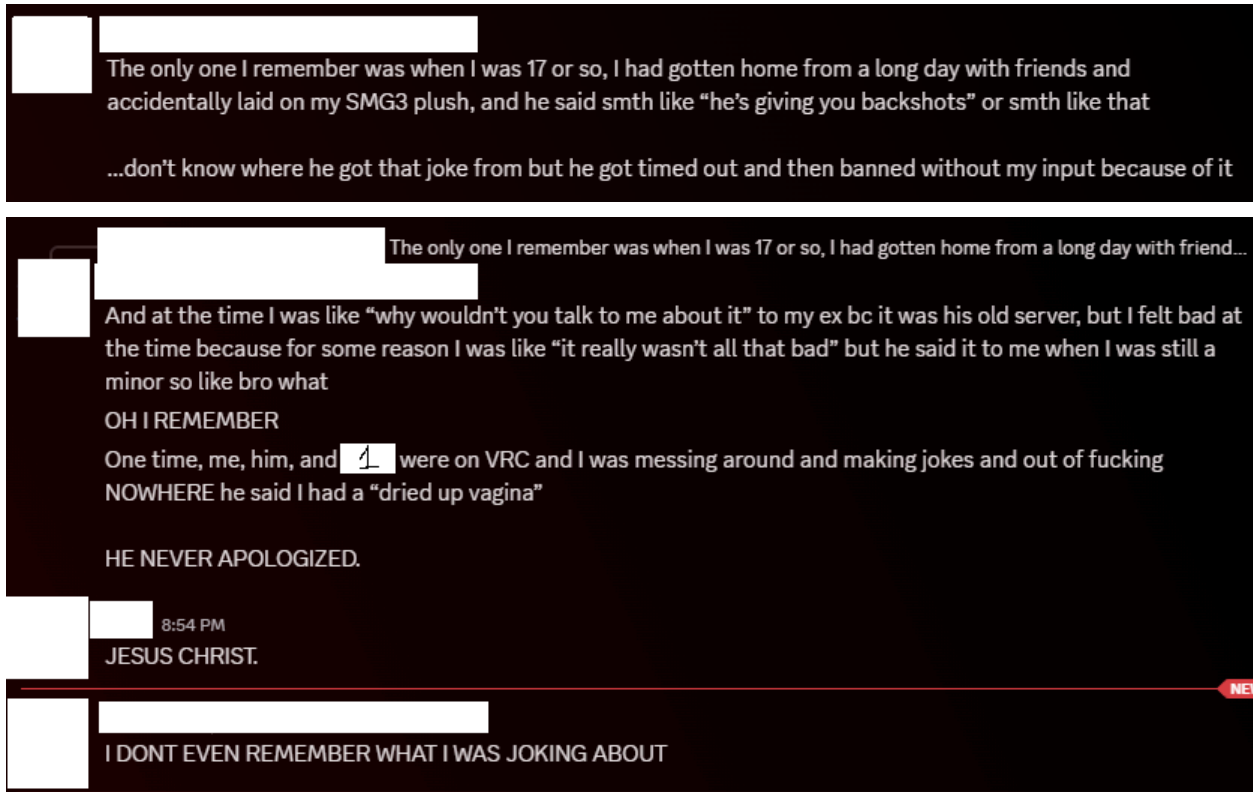

Anonymous #2

This user is a former "sibling figure" but also one of the groomed victims of Rookie. Multiple of his actions were done on VRChat that has hurt Anon 2 in many ways, a total of three to four times, and has triggered a full depressive episode on them once it was revealed that Rookie talked garbage about them to Anon 5. They have called them while they were at work about useless drama *without consent* despite being told by Anon 1 not to. It has also been stated that he has spoken NSFW around them and their ex when they were both minors at the time, even throwing suggestive jokes at them when they were a minor.

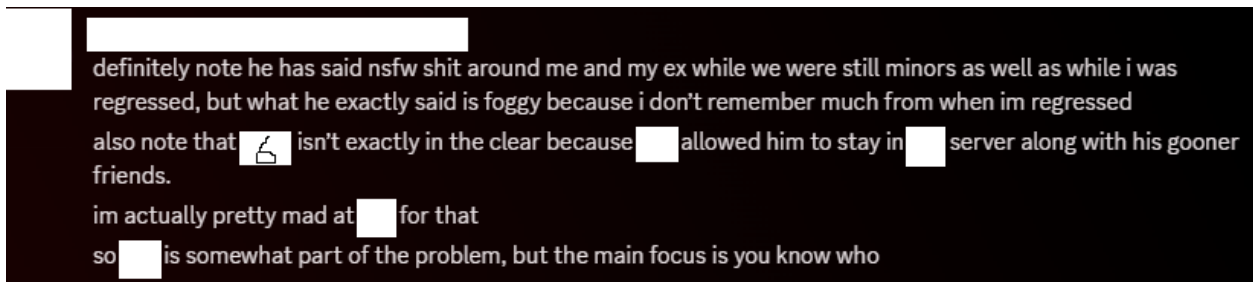

When kicked out of the friend group, Rookie proceeded to vent to their so-called groomer friend about how Anon 2 was manipulative, and the groomer friend had to pass the message to Anon 2. This resulted in two regressive episodes. This groomer friend will be elaborated on later.

These are Anon 2's statements on Rookie.

This is also more evidence along with a statement against Anon 6, but that is clear and over with, so please do not mind about the part on Anon 6.

It has been confirmed that Rookie has indeed cheated on Anon 1 with someone while he was together with Anon 1, proving a massive red flag on his colors as a whole. This was confirmed once Anon 2 got more evidence from another victim and explained that to Anon 1.

Anon 1

11:25 AM

Yikes, and I thought him cheating on me was bad.

Anon 2

11:25 AM

HE CHEATED ON YOU???

HOLD UP HOLD UP

BACK TJE FUCK UP

ELABORATE???

Anon 1

11:27 AM

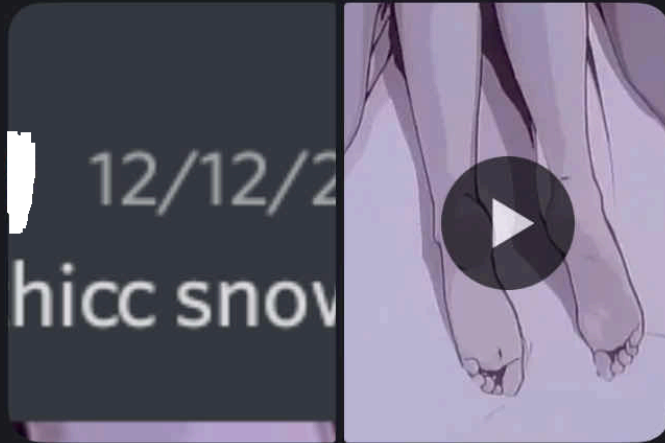

He had a one night stand with someone on VRC,
then called me shortly after cause he felt bad
about it. I was desperate for love at the time and
said that as long as he's still with me, I'd be fine
with it.

Obviously that was a *very* red flag.

tariisthemeta 11/22/2022

The one Rookie was flirting with is not suspicious at the time but they were a minor when this happened. He has sent pornography to said person. Their whereabouts are unknown as they were kicked out for defying rules in the friend group.

Anonymous #3

This user is Anon 2's partner. There is no present evidence of his actions against Anon 3 but they have spoken that they were told to "shut the fuck up" in a VC while they were vocalizing

excitement playing Luigi's Mansion on the 3DS along with Anon 1. Anon 2 yelled at them afterwards and Rookie threw in the time excuse "It happened an hour ago" to try and cover up for his actions.

Anon 3 is the one mostly picking up the pieces he left on everyone, and the one speaking up the most, although some of their brash decisions for the group were irrational and out of anger due to his disgusting actions.

As of August 2025, Anon 3 has found Rookie stalking her YouTube post linking to the callout against him and pinging the incorrect person replying to Anon 3, as it was confirmed that another owner was posting content for Rookie and that they don't believe the evidence at all. This behavior of Rookie was considered bullying.

@GhostCt-0025 "knowing this man for couple of years he did nothing wrong" read the document I posted on Rookie, man. It's not that hard. I'll remove your name off of it if you choose to exile Rookie out of your life for the actions he's done to his ex and his other so called friends.

Anonymous #4

This user is a minor, Anon 1's daughter figure, and was once a friend of Rookie. It was stated that they have PTSD and Rookie used that disorder against Anon 1 just to keep victimizing himself against Anon 1 to Anon 6 whilst indirectly using Anon 4 as a scapegoat against them.

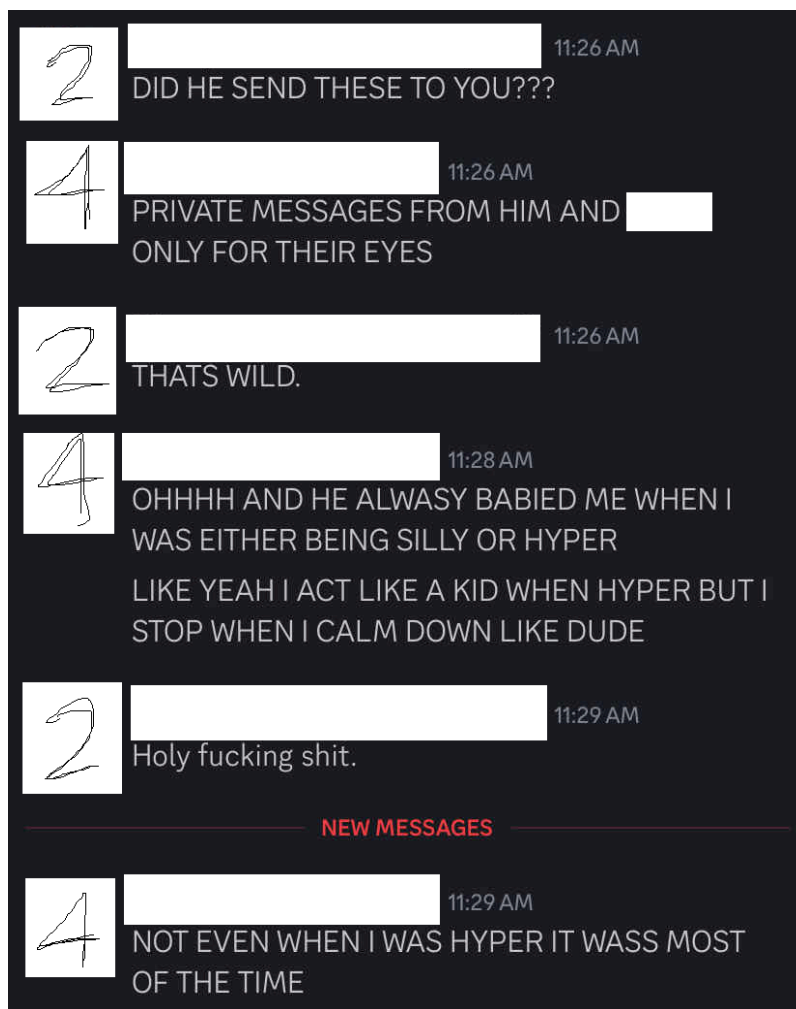

Anon 4 was also taken advantage of by Rookie because they have no idea on how to set boundaries, which confirms more on the allegation that he's a groomer.

There has been confirmation that he sent NSFW to them and another person when said person and Anon 4 were minors.

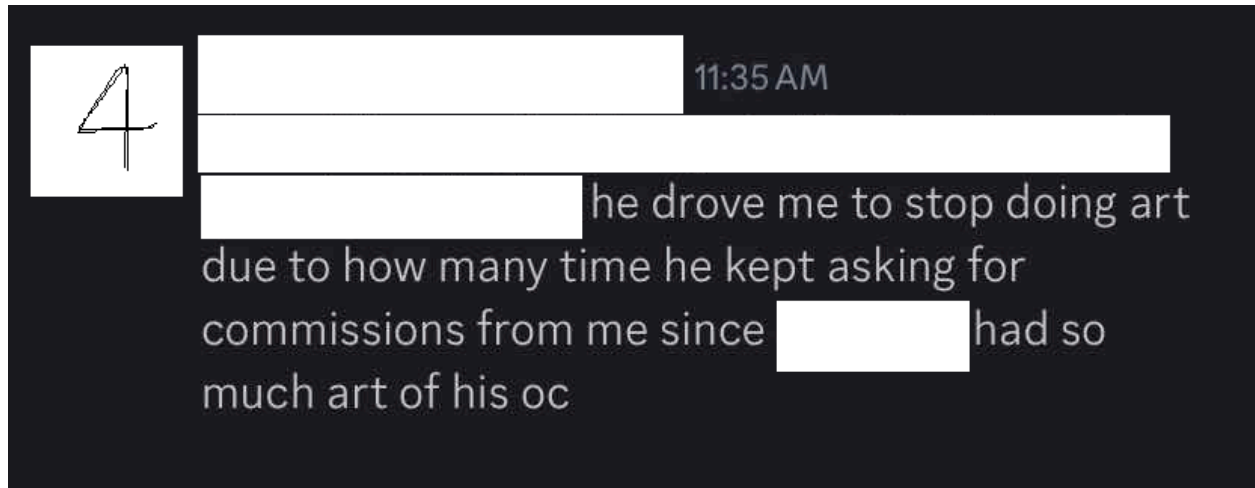

There has been more that he did to Anon 4 that they explained to Anon 2.

It is also confirmed that Rookie has ridden Anon 4 and other users to stop doing art because he begged for commissions and kept rushing said people for art, such as Anon 2 and Anon 1's current partner. Anon 3 would have almost become a victim as they were also an artist themselves, but they haven't.

After Rookie was exposed, he talked garbage about Anon 4.

Anonymous #5

This is one of Anon 4's friends. It was confirmed on a VRChat session that Anon 5 was asked by Rookie when they were 11-12 to stay up a school night with him just because he didn't want to sleep alone. Anon 5 has also stated that a regressed individual was around and Rookie joined, teaching said regressed individual racial slurs and content meant for teens and adults. Rookie has also spoken weird and suggestive comments with Anon 4 and Anon 5, specifically Anon 4's art, and has excused that with Xbox Live.

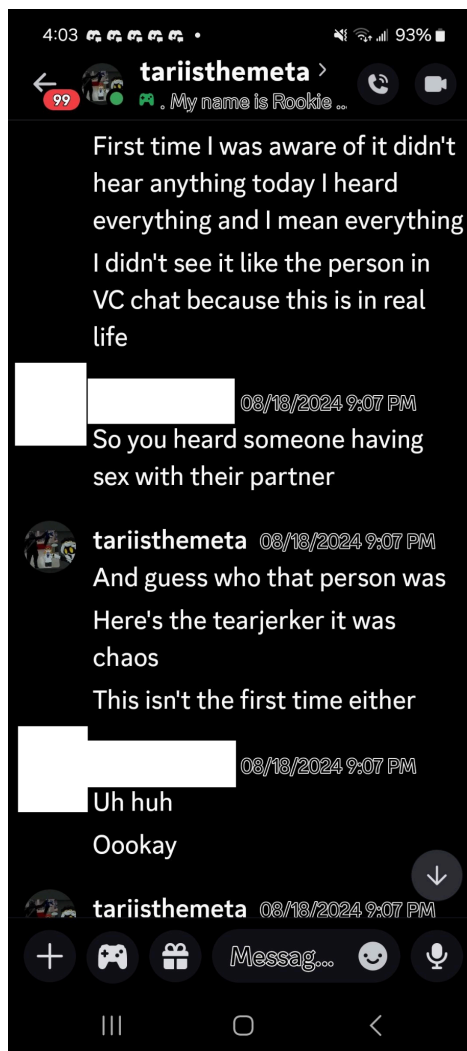

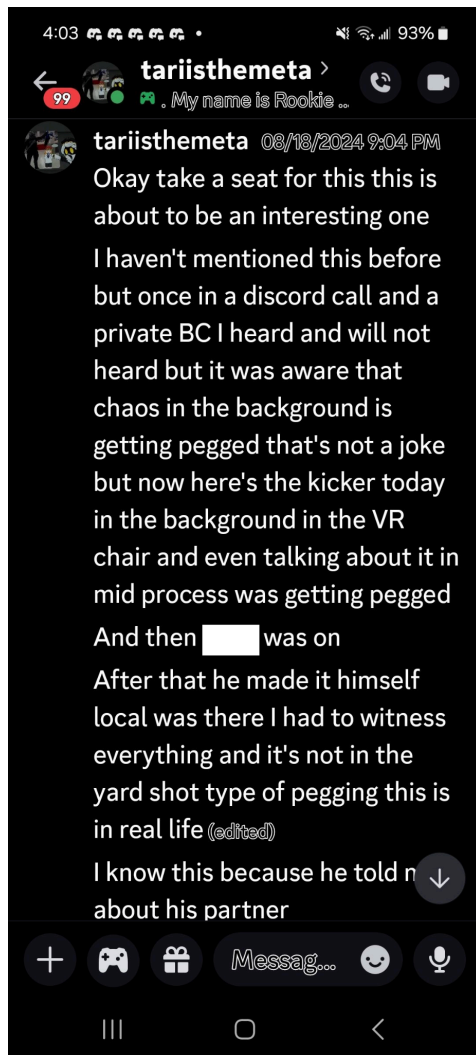

Anon 5 was once trans and was misgendered multiple times by Rookie no matter how many reminders he was given.

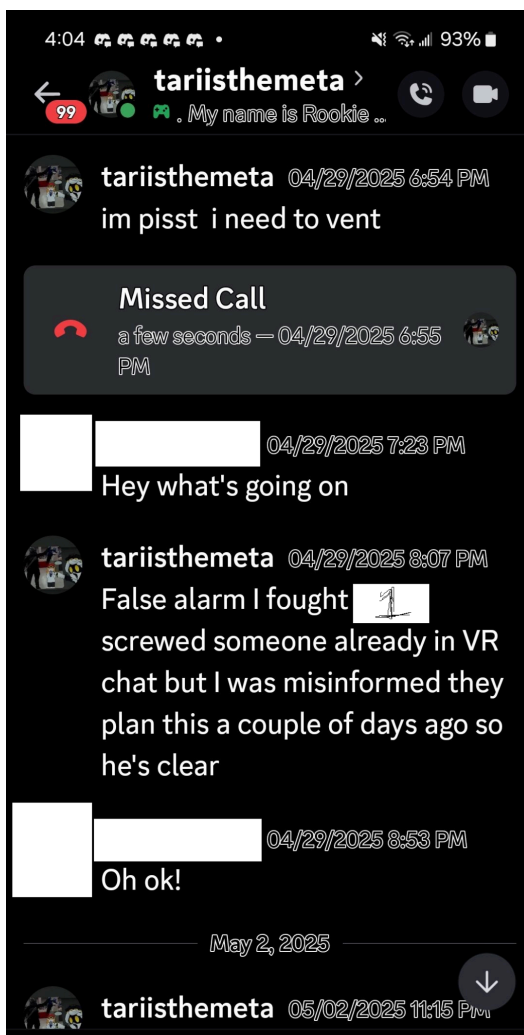

The groomer friend I spoke about on Anon 2's statement, they groomed Anon 5 when they were twelve, approximately two years ago, and has been fired and cut off as of June 2025. They have been a disgusting inconvenience to Anon 2 supporting age gap relationships whilst supporting a lying girl in senior year.

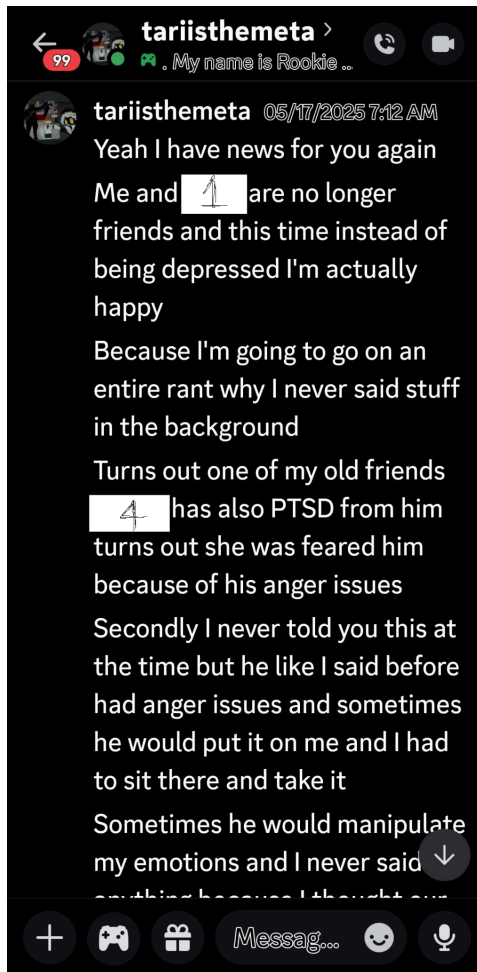

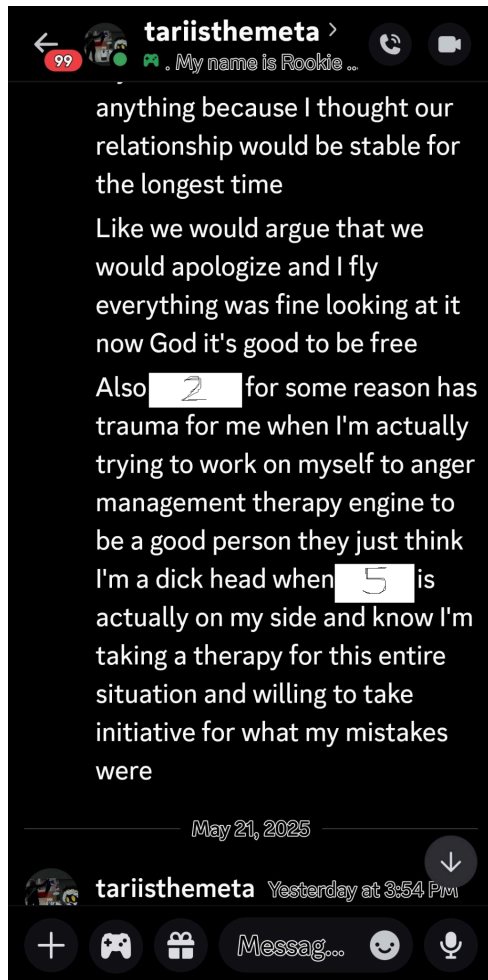

Anonymous #6

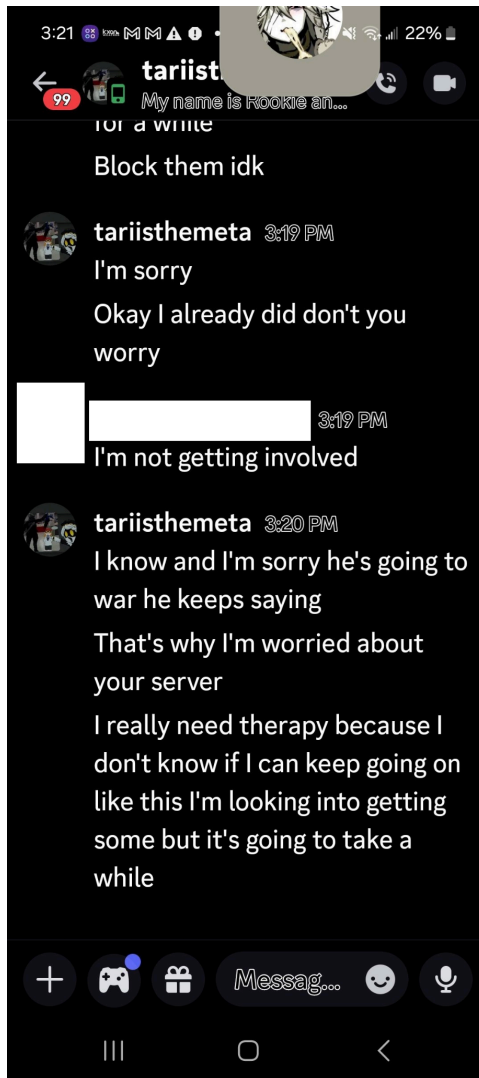

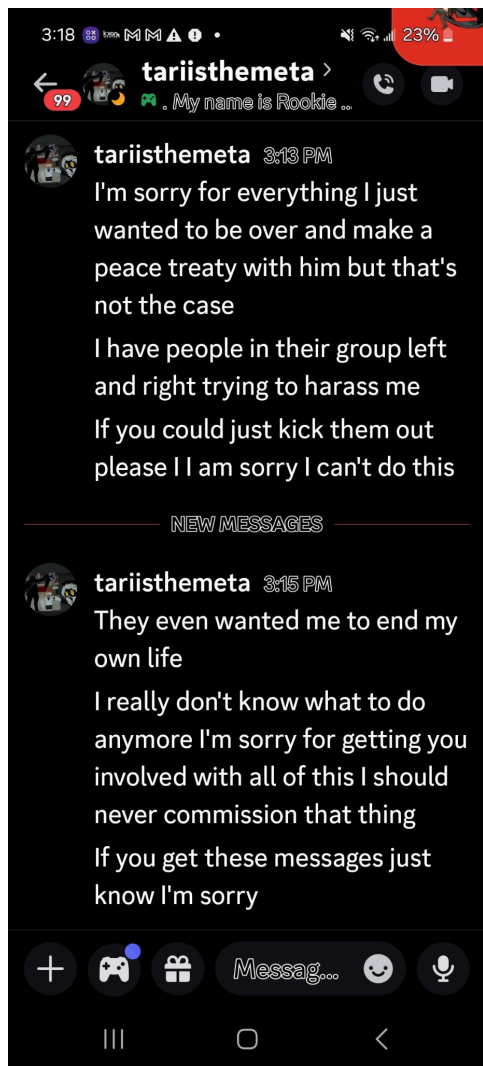

This user unknowingly agreed to an NSFW commission Rookie requested of him and Anon 1 without consent. This was after the two broke up and split ways from Anon 1 and his friend

group, and he went with it anyway just to cope with his misery, whilst also using Anon 6 as a secondary punching bag for venting and ranting.

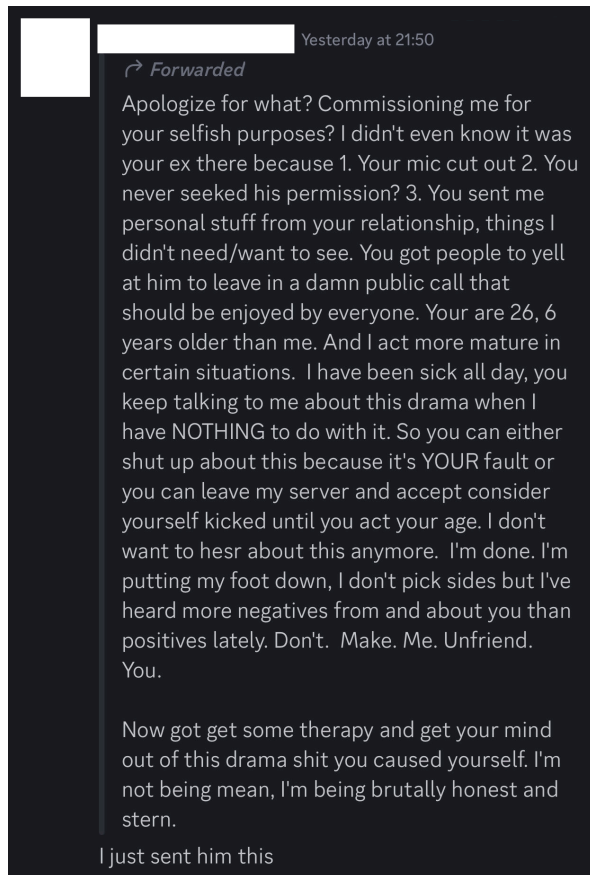

So, to summarize it, Rookie thinks they were all in the wrong for calling him out for commissioning Anon 6 of him and Anon 1 doing NSFW, and calls Anon 2 a manipulative person whilst trying to rely on their so-called groomer friend along with Anon 6 as punching bags for his misery.

This was a warning sent from Anon 6 to Rookie for being petty and picturing Anon 1 as the wrong one. Status is confirmed that he was kicked out and banned from the server.

Conclusion

As of right now, Rookie is running to find other groups to make a mess out of with his sad life and using more people as punching bags and is actively STALKING his victims. If you find him on Discord, Fortnite, YouTube or VRChat, block and report. Spread the document while you can.

So, now that you've seen all this, you now see who Rookie truly is. He is a disgrace, a blight, and a monster that has almost destroyed our anonymous friend group and tries to make everyone surrender to his rules and his toxic ego. He is a toxic homophobic/transphobic pedophile/groomer throwing his dirty taste onto minors because he's apparently comfy with minors. Someone who is 26 doing this and acting 15 to their own ex is horrific, whilst taking advantage of minors along the way. He refuses to admit that his commissioning was illegal, and could get arrested for such stuff like this, and becomes a victim when nothing goes his way.

Normand, I hope you realize you're the biggest freak and the worst mistake out of this group. They have done nothing but be nice to you, and this is how you repay them. I wonder how your

mother's gonna react to how spoiled you are, because she'd regret giving birth to someone who has toxically regressed into a 15 year old and groomed kids so his misery will be cured. You do realize you'll get arrested for being so deep in your head to make NSFW stuff of your ex without permission and rely on groups of minors to please yourself.

Screw you, screw your banana sucker friends, and I hope you rot in hell for the rest of your life. If I find your gooner friends harassing one of us, we will expose their names too as we will update this document with more experiences that come around. This will not be taken down either, so don't come begging and crying because you wasted your chances.

You CAN get arrested for commissioning pornography to a young person of you and your own ex, sending NSFW to minors (to a certain extent), throwing dirty jokes to minors, and getting too deeply connected with minors manipulating them to do things they cannot do.

DO NOT HARASS ANYONE INVOLVED. IT IS A BAD EXAMPLE OF EXPOSING SOMEONE, AND YOU ARE A PART OF THE PROBLEM IF YOU'RE GONNA HARASS TO GET YOUR WAY, AS PEOPLE WILL GET THE IDEA AND HURT OTHERS. YOUR NAME ALONG WITH MORE EVIDENCE WILL BE PUT IN THIS DOCUMENT IF YOU REFUSE TO COMPLY WITH THIS RULE.
