School Climate Survey 2026 Invitation to Participate

Dear Parent/Guardian:

GDOE and the JFK Administration want to hear about your child's educational experience on campus. We invite you to participate in completing the School Climate Survey. This survey includes questions about your child's learning, school safety, and interpersonal relationships, as well as your attitudes about the institutional environment and your personal involvement in school. Your responses will be very helpful in improving student relationships, learning conditions, and the overall school environment.

Beginning March 16, 2026, we invite all parents, guardians and caretakers to complete this survey for our school. The survey is completely anonymous and brief; it contains 21 questions and takes about 10-15 minutes to complete. You can take the survey online by using the following unique school link: [\[https://docs.google.com/forms/d/e/1FAIpQLScMFONRIWT7sCHDarYSnemnmGgThUdN9QO-FxkbEcKHINdLMQ/viewform?usp=header\]](https://docs.google.com/forms/d/e/1FAIpQLScMFONRIWT7sCHDarYSnemnmGgThUdN9QO-FxkbEcKHINdLMQ/viewform?usp=header). (If you cannot access this online survey, please pick up a paper copy in your school office, complete it, and leave it in the box designated for that purpose.) Please submit your responses by April 30, 2026.

All your responses are completely anonymous. We have no way to connect you to your answers, and results will only be reported as group responses. There are no right or wrong answers. We just want to know about your personal experiences. Responses are housed securely in an anonymous format with the Guam Department of Education for evaluation research purposes. All evaluation research projects are in compliance with the Family Education Rights and Privacy Act, (343 CFR 99.31 (6)) and human subjects regulations (Protection of Human Subjects 45 CFR 46).

As you respond to each item, think about your own personal experiences as a parent, caregiver or guardian at your child's school. Please answer all of the questions, or your answers won't be recorded, but you can mark "I prefer not to answer" if you don't want to answer a question about you.

We hope you will take the time to provide us with this valuable information. Feel free to call our office if you have any questions. Each school's total survey results will be used to inform and develop appropriate strategies, procedures, and/or programs to enhance our school climate. Thank you for your time and participation!
