## Attendance Laws and Regulations

The greatest cause of failure in school is poor attendance. Be at school every day unless you have a legitimate reason. If you become ill during the school day, the principal or person in charge must excuse you before leaving.

Oklahoma School Code, Article 10, Section 150, page 84, “It shall be unlawful for a parent, guardian, custodian or other persons having control of a child who is over the age of five years and under the age of eighteen years to neglect or refuse to cause or compel such child to attend school.”

## School Attendance

### Philosophy

The Cyril Board of Education believes that in order for students to realize their fullest potential from educational efforts, they should attend all classes if possible. The purpose of this policy is to provide for uniformity in student attendance recording and to explain the penalty assessment for absenteeism.

No single factor does more to aid student’s successful progress in school than regular attendance.

A large percent of the money, which our school receives – County, State and Federal, is based on student attendance. The responsibility of each parent and student to the taxpayers of our district can only be fulfilled by regular attendance.

Realizing that some absences may be beyond a student’s control, the board has adopted a policy requiring students to be in attendance a minimum of 90 percent each semester to receive credit for any course in which the student is enrolled. Exceptions to this requirement will be considered by the Internal Review Committee on Attendance. The Superintendent is directed to establish an attendance regulation, subject to Board approval, which supports this policy.

## Attendance

### (Policy FDC)

Students must attend a class 90% of the time since enrolled in that class to receive credit for that class. Therefore, students will be allowed 10 absences, regardless of reason, each semester. All appointments doctor or otherwise, will be included in the 10 days. After the 10th absence, the student will be placed on the ineligible list and no credit will be recorded on the transcript, each additional absence will be counted as an unexcused absence, and the student will not be allowed to make up the missed work.

Excused absences – An excused absence is any absence in which the school is made aware of the absence before the absence and the principal agrees that the absence has a valid reason.

Unexcused absences – An unexcused absence is any absence in which the school is not aware of the student's absence and/or the principal does not agree that the reason for the absence is valid

## Attendance – Tardies

A tardy is given to any student who is not in class ready to learn before the bell rings to start class. There are no excused tardies. A student is given 2 free tardies. Each tardy, starting with the 3rd tardy will count as an unexcused absence, and students will receive no credit for the missed work.

## Attendance – Truancy

**Definition of Truant:** A student is identified as truant when he/she is absent and neither his/her parents nor the school officials know of his/her whereabouts. A student who is absent due to **truancy** shall not have the opportunity to make up work missed. A grade of "**0**" indicating "**no credit**" shall be recorded in the grade book for that day or days and averaged into the final grade along with all other grades for the grading period. This policy shall also be in effect on semester and nine weeks test.

## Permits to Leave School

No student may leave school except at regular dismissal time without permission from the office. If the student knows in advance that he will need to leave school, his parents should call the school explaining the necessity of leaving school and the time that the student should be dismissed. A parent must check the student out through the office before leaving campus. A student may not take another student home unless; both are approved by the building principal. A student that is absent and did not check out will be deemed as truant. A student that comes to school late must check in at the office prior to attending class or the student will be

counted absent. Only the office can change the student's status from absent to tardy.

## Closed Campus

No student will be allowed off campus during lunchtime unless a signed permission form is on file. Parents must specify what family member may pick them up.

## Arrival and Departure

Students eating breakfast may arrive at **7:40** a.m. Classes start at **8:00** a.m. Students arriving after this time will be tardy. Children are to leave school grounds by 4:00pm unless their teacher requests they stay after school. Only parents or guardians may pick up children at school, unless we are notified of other arrangements.

No student may leave school at an irregular time without permission from the office. If the student knows in advance that he or she will need to leave school, he or she should bring a written statement signed by his or her parents or legal guardian to the office explaining the reason of the necessity of leaving school, and the time that the student should be dismissed.

Children who do not normally ride a bus but are going to spend the night with a friend, who does ride a bus, must bring a note signed by parents or legal guardian.

## Book Replacement

### ***Library and/or Textbook***

If a student loses or destroys any book belonging to the Cyril Elementary School, the student and parent will be responsible to the school for the purchase price of the book.

## Hazing or Harassment

(Policy FNCC & FNCD)

It is the policy of the Cyril BOE that harassment of students

or school personnel in any form by other students, personnel, or the public will not be tolerated. As used in the **SCHOOL BULLYING PREVENTION ACT**, “harassment, intimidation, and bullying” mean any gesture, written or verbal expression, or physical act that a reasonable person should know will harm another student, damage another student’s property, place another student in reasonable fear of harm to the student’s person or damage to the student’s property, or insult or demean any student or group of students in such a way as to disrupt or interfere with the school’s education mission or the education of any student. Harassment, intimidation, and bullying include, but are not limited to, a gesture or written, verbal, or physical act. Such behavior is specifically prohibited and should be reported to a teacher or administrator immediately.

Therefore, it is the policy of this board that any student attending school within this district will be subject to disciplinary action including, but not limited to, suspension from school for any conduct, which in the opinion of school administrators has an adverse impact upon the school.

Such activity includes, but is not limited to, the following:

1. Damaging school property
2. Engaging in an activity which causes physical or emotional harm to other students, teachers, or other school personnel;
3. Engaging in activity which directly impedes discipline at school or the general welfare of school activities. (**Policy FODD**)

## Drug Free Schools (Policy FNCF)

It is the policy of the Cyril Board of Education that in recognition of the clear danger resulting from illicit drug and alcohol abuse and in good faith effort to promote the health, safety and well being of students, employees and the community, that board has implemented a developmentally based drug and alcohol education and prevention program for grades kindergarten through twelve (K-12).

Students are hereby notified that the use, possession or distribution of illicit drugs and schools in this district, prohibit the unlawful possession, use or distribution of illicit drugs and alcohol by students on school premises or as part of any of its activities.

Disciplinary sanctions will be imposed on students who violate standards of conduct required by this policy. Such sanctions will be consistent with local, state and federal laws, up to including probation, suspension and expulsion, as well as referral for prosecution. Completion of an appropriate rehabilitation program may also be recommended.
