Rounds may start earlier or later depending upon the completion of all matches.

Matches that are not completed by time will play out the current round of the match before determining the winner.

Breaks are to allow for the resetting of the boards between matches.

Building your team

Teams will be built using the Wargames and Rise of the Banished expansions. Players may use the Halo app <https://haloflashpoint.manticgames.com/the-app/> to create their team.

Teams will consist of no more than 200 points to include any wargear, special abilities, or other options.

Players are encouraged to use the miniatures from the Halo: Flashpoint series. Players are allowed to make their own modifications to models as long as it is recognizable as a representation of a model in the game. Due to the nature of the models from the game, players may choose to have their models represent different wargear as long as the opponent can distinguish between them.

Game Time and Victory Conditions

The tournament will consist of 3 games lasting approximately 60 minutes each. Between each round there will be a 10 minute break to allow for resetting of tables (objectives, etc). Players will be informed when they have 10 minutes left in the round.

Scenarios

Round 1 - Slayer
Round 2 - Oddball Reloaded
Round 3 - Attrition

Prizes

Prizes will be awarded for the following:

Best Commander - Winner of the tournament

Best Sportsman - Player voted

Best Painted - Judge voted

Dice Hate Me - New dice for the person who places last.
