

Staff Pharmacist – Brooks Pharmasave Permanent Full-Time Position

Are you passionate about building meaningful, long-term relationships with your patients while delivering exceptional clinical care? Do you value a predictable schedule that allows you to truly connect with your community? If you're looking to practice pharmacy in a welcoming, small-town setting where your expertise is respected and supported, Brooks Pharmasave may be the perfect fit for you.

Located along Highway #1 between Calgary and Medicine Hat, Brooks offers the charm of a close-knit community with easy access to major cities. At Brooks Pharmasave, we pride ourselves on fostering a friendly, supportive, and efficient team environment where pharmacists are empowered to practice to their full scope.

We Welcome New Graduates and Out-of-Province Candidates

If you are a new graduate or a pharmacist looking to relocate from another province, we would be happy to support your transition. We are committed to mentoring and training motivated candidates, assisting you in obtaining your Alberta APA authorization, and providing ongoing guidance to help you build confidence and succeed in your expanded scope of practice.

Why Join Us?

- Competitive wage of \$55–\$65 per hour (based on experience)
- Compensation is negotiable for candidates who demonstrate exceptional skills, experience, and commitment
- Retention bonus based on years of commitment (terms negotiable following interview)
- Relocation assistance for eligible candidates (details discussed after interview)
- Paid licensing and professional association fees
- Comprehensive medical benefits and retirement savings plan
- Continuing education support (including certifications such as CDE, travel health, and more)
- Opportunity to grow into a Pharmacy Manager role for interested and eligible candidates
- Store discount
- Generous paid time off

Your Role

As a Staff Pharmacist, you will play a key role in delivering high-quality patient care and clinical services. Responsibilities include:

- Providing comprehensive patient-centered care and outstanding customer service
- Ensuring safe, accurate, and appropriate dispensing of medications
- Delivering clinical services such as vaccinations, medication administration, medication reviews, minor ailment assessments, and prescription adaptations
- Identifying and resolving actual and potential drug-related problems
- Providing thorough patient counselling and confirming patient understanding of their therapy
- Maintaining accurate and complete documentation for all patient care activities
- Collaborating with the pharmacy team to support daily operations

What We're Looking For

- Licensed and in good standing with the Alberta College of Pharmacy (ACP), or eligible for licensure
- Strong communication skills and ability to thrive in a collaborative team environment
- Injection certification and APA authorization preferred (support provided for eligible candidates)

If you're ready to practice pharmacy in a setting where patient relationships matter and your professional growth is supported, we'd love to connect with you.
