Part 2: Read the passage and choose the option A, B, C or D that best answers each question from 21 to 25. Write the answer on your answer sheet.

KEEP IT CLEAN!

When your parents tell you to have a shower, they give you good advice. Wash your face, behind your ears and under your arms. Make sure you wash your whole body well. Use warm water and soap to wash away **bacteria**. Bacteria are tiny living things that can make you ill.

To keep your teeth strong and healthy, make sure you brush them twice a day. Brush them in the morning after breakfast. And brush them at night before you go to sleep. Brushing your teeth cleans away bacteria that can cause tooth decay. It's important to brush your teeth for two minutes.

Every day our hands pick up millions of germs that can make us ill. It's important to wash your hands with soap and water for at least 20 seconds. Wash your hands before you eat, after you go to the toilet, after you cough or sneeze and any other time your hands get dirty.

Question 21: What should you use to wash your body?

- | | |
|---------------------------|---------------------------|
| A. warm water and a towel | B. warm water and soap |
| C. soap and cold water | D. cold water and a towel |

Question 22: When should you brush your teeth?

- | | |
|-------------------------------|---------------------------------|
| A. before lunch and dinner | B. after lunch and before sleep |
| C. after breakfast and dinner | D. only in the morning |

Question 23: How long should you brush your teeth?

- | | |
|-------------------|-------------------|
| A. twenty seconds | B. twenty minutes |
| C. two minutes | D. two seconds |

Question 24: When should you wash your hands?

- | | |
|------------------------------|-----------------------------------|
| A. after eating and drinking | B. before eating and after toilet |
| C. after going outside | D. before eating and going to bed |

Question 25: What does the word "**bacteria**" mean?

- | | |
|-----------------------|---------------------------------|
| A. a small toothbrush | B. big animals that people love |
|-----------------------|---------------------------------|

C. a kind of soap

D. tiny things that make people ill
