

hello!!!! this is a doc for all of my current AUs. includes content warnings, basic descriptions, etc
:D

most if not all are intended to be written as fics or comics at some point and have a good amount of development behind the scenes, though some are more so just for fun and will be developed through art posts and rambling online. i get super fixated on my aus at random also
:3 🍷 i love talking about them!!

the halcyon project —> [fnaf x toh au]

- *CW: blood, gore, homicide, horror, abuse, child death, animal death, stalking, paranoia, major character death, unreality, possession, medical malpractice(?), religious themes, etc*
- *to mute: #thehalcyonproject, #the halcyon project*

one year after hunter goes missing and their friend group splits, luz takes a job offer in hopes of finding more information surrounding his disappearance, closure, and bringing everyone back together

the wolf and the willow tree —> [toh au]

- *CW: blood, gore, abuse, homicide, animal death, religious themes*
- *to mute: #willowtreeau, #willow tree au*

a werewolf au set in modern gravesfield, where a majority of witches don't actually live in the demon realm. centers around evelyn, willow, hunter, and belos, and the effects of lifelong grief and anger

prize box arcade —> [fnaf au]

- *CW: all the typical content warnings for fnaf*
 - (au created by vulturabbit and given to me, character designs for foxy/freddy/chica created by them!)
- *to mute: #prizeboxarcade, #prize box arcade*

story about death through the eyes of a child and letting go of the things they love most, because they love them

TCOPV —> [original story]

- *CW: blood, gore, horror, abuse, animal death, unreality, religious themes*
- *to mute: #tcopv, #thecatsofperegrineview, #the cats of peregrine view*

stray cats on the outskirts of a dead-end town, stuck in a cycle of trauma and horror and going to dangerous and obsessive lengths to keep the ones they love safe (to the point of destroying themselves)

curtain call —> [fnaf au]

- *CW: all the typical content warnings for fnaf*
 - this one has been in the works since 2014, based around my own fnaf headcanons and designs etc
- to mute: #fnafcurtaincall, #fnaf curtain call

following an incident regarding an animatronic malfunction and the subsequent closure of fredbear's, its sister location sees a week of tragedy. the dominos keep falling from there

 **rot** —> [toh au | made by my friends & i]

- *CW: body horror, gore, animal harm/death, major character death(?), horror, blood*
- to mute: #hunterrotau, #hunter rot au

a darker(?) take on thanks to them where hunters' possession goes a lot worse and leaves him in a rotting, amalgamated state

 **permadeath hunter** —> [toh au | made by my friends & i]

- *CW: major character death, no happy ending (?)*
- to mute: #permadeathhunter, #permadeath hunter

alternate version of thanks to them where flapjack doesn't manage to save hunter. he's left in the human realm while the others fight below, and he eventually says goodbye to luz in the in-between realm

 **lavender moon | midnight in gravesfield** —> [toh aus]

- *CW: blood, gore, animal death, body horror, abuse*
 - two variations of a werewolf!hunter au
- to mute: #lavendermoonau, #lavender moon au, #midnightingravesfield, #midnight in gravesfield

LM—>hunter, during a self-imposed mission during his scout training, becomes afflicted with a curse and left under darius's watch

MiG—>shortly after hollow mind, while hunter is on the run, he's bitten by something unseen. while he can brush it off at first, it starts to become more apparent when he ends up in the human realm after king's tide

 **wolf wool** —> [toh au]

- *CW: abuse, religious themes, blood, gore, body horror, unreality, animal death, dehumanization*
- to mute: #wolfwoolau, #wolf wool au

playing with animal symbolism in hunter and below, as well as evelyn and caleb. heavily themed around abuse and its effects and exploring those dynamics, as well as the roles of a predator vs the prey

 in cardinal fields —> [toh x wolfwalkers au]

- *CW: abuse, religious themes, animal harm, blood*
- *to mute: #incardinalfields, #in cardinal fields*

focused around hunter and luz's friendship. hunter was taken in by belos following caleb's death (and evelyn's disappearance), and thinks he's been successfully hiding what he is from belos while being made to kill off wolves in the area. belos already knows about hunter's "condition" and toys with him. eventually flapjack leads hunter off-trail one night, where he finds luz and ends up biting her

 hart of isles —> [toh x dungeon meshi au]

- *CW: all the typical content warnings for dungeon meshi*
- *to mute: #hartofisles, #hart of isles*

collector as a child-aged lord of the dungeon, being manipulated by belos (who is using collector's power as his own)

 wooden antlers —> [toh x warrior cats au]

- *CW: all the typical content warnings for warrior cats & toh*
- *to mute: #woodenantlersau, #wooden antlers au*

a barn fire leaves belos heavily scarred and alone, until he takes hunter in as his own and finds a group of stray cats with a recently deceased leader. luz is a house cat not far from the forest and keeps venturing further into the woods until she finds the clan and chooses to join them
