Motion (What is the action being requested?): Move to revise the Guide to Local Services, English version, 21-07-02, page six-dash-eight (6-8), under the boldface, left-justified heading, Alternate Delegates, so the final (6th) bullet reads:

- Alternate delegates may join world service committees, ~~which are listed under Delegates (a list of which is found in the back of this book)~~ and, through voluntary participation in the online World Representatives Forum Nar-Anon/Narateen Family Groups (WRFNFG), ~~may also serve to support and enhance the efforts and objectives of their regional delegate.~~

Intent (What will this action accomplish?): To acknowledge in guidelines a further existing integral feature of service provided by and for regions whereby delegates, alternates, and representatives (as defined) may voluntarily meet and participate in an ongoing, online, virtual space to exercise a practice of applying the Twelve Concepts of Nar-Anon Service in the context of executing the trusted servant role of communication and information interchange with peers, worldwide, on behalf of personal progress for their regions' members while simultaneously enhancing growth, unity, and the integrity and effectiveness of Nar-Anon/Narateen services themselves throughout the global fellowship.

Rationale (Why is this desirable?) (Limited to 150 words): Cited bullet currently notes one opportunity linking regional representatives in regular, ongoing service; "world service committees."

PROGRESS THROUGH WORLDWIDE UNITY

CAR-ANON WORLD SERVICE CONFERENCE 2023

MOTION SUBMISSION FORM

Formally and evenly inviting delegates, alternates, and representatives to all existing international service opportunities promotes a broader sharing of experience, strength, understanding, and growth among peers — our full fellowship.

In this forum, 75+ trusted servants from 20+ nations are available to one another to exchange perspectives and deliberate in day-to-day collaboration on behalf of Nar-Anon's unity, growth, effectiveness, and ambient goodwill.

This motion adds a further opportunity for international service, moves the fellowship toward an imminent online global future, and promotes the exercise of all Nar-Anon's tools of personal recovery to achieve changes within.

"As we change in such ways as these, we change the world about us and all the people in our world for the better." [*Helping*, Blue Booklet, p.13, © NFGH, Inc., 1971]

Financial Impact (What will this cost or what income will it generate?): As proposed, costs and expenses of the ongoing operation of this service opportunity would be borne by the represented regions and other similar entities, as guidelines describe, electing to participate.

Printing costs in GSW's 2023 release will likely be negligible for these additional 37, or so, words. Nevertheless, secretarial, BOT, WSC, P & G, and LitCom committee time is appreciated and is invaluable.
