

Dear Juniors and Parents/Guardians,

The 3rd marking period ends on Friday, March 28. If you have questions about your grades or are missing work, now is the time to talk to your teachers.

Attendance

Attendance is an important part of school. Please be aware that 12 unexcused absences in a full-year course and 6 unexcused absences in a half-year course result in loss of credit for the class. Additionally, 3 tardies to class will result in 1 unexcused absence. Losing credit in classes will result in students needing to complete credit restoration. Please review our [attendance policy](#).

College and Career Information

The counseling department presented college and career information during English classes earlier this month. Please review this [PowerPoint](#) that was discussed in class.

Transcripts

If you need a copy of your transcript, you can run a report in ASPEN. Please review your transcript for accuracy at the end of the school year. The directions to do so are [here](#).

College Planning Meetings

If you are interested in meeting about the college planning process, please contact your counselor to set up a meeting time.

Career Fair

North Hunterdon is hosting the annual career fair on April 2. Juniors will attend the fair during period 5. It will be an invaluable opportunity to educate students about various professions while connecting with the community. More information will be presented during their history classes.
