

1. Assuming the Legislative Committees bill gets approved by the Ministry, this bill will create the Religious Committee, with the following tasks:
 - a. Identify possible beliefs for religion
 - b. Work to create a bill that designates someone to control religious units, as the constitution is unclear on this matter.
 - c. Make legislation concerning religion both in game and out.
 - d. And anything other pertaining to religion
2. Amends the [Founding of Religion act](#) to allow the legislature to select a belief that will only be chosen if the Ministry fails to provide a list of beliefs in time.
 - a. For this Play session, the legislature will provide a fallback pantheon of Stone Circles (+2 faith per quarry).

Summary: Guarantees the creation of a religious committee, and amends the Founding of Religion act.
