

## **Privacy Policy**

Md. faysal(“we”, “us”, or “our”) is committed to safeguarding your privacy and ensuring that your personal data is protected. This Privacy Policy(“Policy”) explains the types of personal data we collect and how we process and protect that data when you use jackpot fun space pig(“App” or “Service”).

For enquiries, please contact us by email: [kobifaysal@gmail.com]

### **Collection of Personal Data**

The following personal data may be collected, handled and treated, including but not limited to:

device identifiers (such as IDFA, IDFV for Android, GAID for IOS).

the type, version, brand, language and operating system of device.

the type and operator of network (such as Mac address).

email address.

behavioral usage of the App.

## **Reasons for Personal Data Collection**

We use each of the categories of personal data for the following business and commercial purposes:

providing you Service.

responding to your inquiries, requests or suggestions.

understanding how users interact with the App and to improve and develop the App, including testing new features, research, surveys, analysis, and app development.

carrying out administrative or legal tasks.

## **Disclosure of your personal data**

We may disclose your personal data to:

partners who provide data analysis services (if any).

professional advisors, such as lawyers, auditors and insurers.

government or law enforcement officials (including tax authorities) or private parties as required by law.

## **Your rights in relation to your personal data**

You can exercise the following rights with respect to your personal data:

access to the data we store about you.

correct or update your data.

request us to explain our data policies and practices.

withdraw consent to the processing of your personal data.

### **Protection of your personal data**

We have put in place appropriate privacy and security policies designed to ensure the security and integrity of all our information, including your personal data, as far as reasonably possible. We have taken reasonable steps to protect your data from loss, theft, misuse, and unauthorized access, disclosure, alteration, and destruction to protect your data collected by us and third parties with whom we work.

Despite the above measures, we still recommend that you access this application in a secure environment to increase the security of your data.

### **Retention of your personal data**

We will only retain your personal data for as long as necessary to fulfil the purposes we collected it for, including for the purposes of satisfying any legal, accounting, or reporting requirements. In some circumstances, we may anonymize your personal data so that it can no longer be associated with you, in which case we may use such data without further notice to you.

### **Children's personal data**

The App is not directed to, or intended for, children under 13. We do not knowingly collect personal data from children under 13. Users under 18 must have permission from their parent or guardian to use the App. If you have reason to believe that a child under 13 has provided personal data to us through the App, please notify us by sending an email. We will investigate any notification and, if appropriate, delete the personal data from our systems.

## **Links**

You understand and agree that we have no control over third-party networks or apps that you may access in the course of your use of the App. The inclusion of any linked sites or content from the App does not imply endorsement of the linked site or content by us. In no event shall we be liable to anyone for any damage arising from or caused, directly or indirectly, by the creation or use of a third party's website, or the information or material accessed through such websites. Access to any of the third party websites linked to from any of the App is entirely at your own risk and is solely governed by the terms and policies applicable to third-party websites, and not this Notice. Accordingly, you should carefully review the privacy and other policies and terms of such third party websites.
